

## CHRISTMAS BOX

*Life change is an invitation away.* This year's Christmas Box will create a natural opportunity to invite others (our "5") to our in-person and online Christmas services and, hopefully and prayerfully, create opportunities for spiritual conversations.

Each box includes a 100-piece puzzle of the nativity, uniquely designed by a local artist. It will also include a few other items, which reflect the culture of Wayne County and support our local businesses.

The puzzle will include a QR code, which will lead to a landing page that will include the personal testimony of the artist and biblical descriptions of each of the characters of the nativity. Each of these descriptions will include the gospel.

Let's all be praying for those who will receive this Christmas gift from us – that God would use it as a means to strengthen our spiritual influence in their lives. We will launch the Christmas Box at the beginning of December.

The best is yet to come!

*Pastor Nick*
