

## God's Loyal Love Changes Everything ("This Changes Everything" week #6)

### MAIN POINT:

God cannot NOT love you!

### KEY VERSE:

Psalm 136:1-26

### BRING IT UP:

On Sunday, Pastor Nick continued concluded our This Changes Everything series by talking about love and the truth that God loves us and will love us forever! Love is one of those things that many people chase relentlessly. Some encounter love from a surface level and are let down by what they experience and how it's far from perfect. We learned that God loves us with a much deeper love and that love endures forever even if we deem ourselves unlovable! Nick's point was that God cannot NOT love you and that love is unchanging, unconditional and unstoppable. Our response to this love should be giving thanks to God! Are you planning on writing out your Psalm 136 as Nick challenged?

- What was the main thing that you took away from the message?

### TALK IT OVER:

- Complete the phrase in your own words: Love is \_\_\_\_\_.

There are three truths that we learned about on Sunday regarding God's love. This is a love that isn't surface level and short term. God's love is far above anything we could ever imagine. These are truths that can transform our lives!

#### God's love in unchanging

- In what way does God's love being unchanging bring you encouragement and hope?
- How can your love to others become more of the same?

#### God's love is unconditional

- In what way can your love towards others be more unconditional?
- Should the truth of God's unconditional love for us impact our decision making process?

#### God's love is unstoppable

- What value is there in having a love that will never stop no matter what?

## THINK IT THROUGH:

*“Give thanks to the Lord, for he is good. His love endures forever. Give thanks to the God of heaven. His love endures forever.” – Psalm 136:1,26*

- How often do you leave your thanks, to both God and others, unspoken?
- In what way could unspoken thanks negatively impact relationships?

*“The enemy wants you to doubt it, God wants you to declare it!”*

- In what way are you going to model your love towards others from the words in Psalm 136?

## WORK IT OUT:

- Write out your own Psalm 136!

Consider Nick’s example:

*‘You protected us through the fire; Your love endures forever.*

*You provided the resources we need; Your love endures forever.*

*You’ve given us health and strength; Your love endures forever.*

*You love me when I don’t feel loveable; Your love endures forever.*
