

AUGUST 03

LIFE CHANGE IS AN INVITATION AWAY

BEN BOUDINOT

Before I met Jesus, I was lost. I went to a summer camp when I was 13 and began a relationship with Jesus. Following Jesus has made my relationship with God stronger. I had been struggling with addiction and then my wife and I joined the marriage reset. It gave me a new outlook on life and strengthened my marriage and my relationship with God. I go to church every Sunday and it draws me closer to God. Grace feels like home.

TAKE FIVE

GGRACE KIDS SOCCER CAMP [JULY 9-11, JULY 16-18] – Pray for a fun week with kids, great connections and intentional conversations with families at the soccer fields, and pray kids come to know Jesus in a personal way.

SUMMER OUTREACH PROJECTS [July 10] – Grace Church is FOR our community! Pray for the outreach team as they participate with the Romich Foundation to assist & prepare awards for the Elephant Run 5K, hosted by Forget-Me-Not Baskets. Pray the team can connect with individuals, have great conversations, and serve well. Be praying for the families who have experienced loss during pregnancy or childbirth who will participate in this race in July.

YOUTH SUMMER MISSION TRIPS – Be praying for students and leaders that are going on the Columbus (July 9-13) and Philly (July 20-26) trips this month! Pray for the students as they step out of their comfort zone to serve God by loving people. Pray for students to gain a heart for serving and for the gospel.

LIFE CHANGE IS AN INVITATION AWAY – Pray for more no-brainer moments to connect with people who need to experience the hope found only in Jesus. Who in your sphere could you invite to join you at church in this season?

“NOT UP FOR DEBATE” SERMON SERIES – We live in a time when truth feels like it's always changing. In this new series, we're anchoring ourselves in the unshakable truths that define our faith. God's truth offers the clarity, courage, and hope we need to stand firm in a world full of uncertainty. Pray we would apply what we learn, and our church would lean into being obedient to what God would have us do.
