

AUGUST 24

LIFE CHANGE IS AN INVITATION AWAY

EMILY DALESSANDRO

Before I met Jesus, my life wasn't great. My attitude was always bratty, I wasn't very good in school, and everything was just unorganized. When I started coming to Grace about 4 years ago with my grandparents and I heard about Jesus the miracles Jesus could do. Two years ago at Grace Kids Camp, I accepted Jesus by following along with the the prayer that Tim prayed. I decided to ask Him to forgive me of the things I've done and accepted that He is my leader and I'm going to follow Him. Jesus can be with me all the time when I am scared and when I need someone to comfort me and cheer me on. I was being more obedient at home and at school.

I have accepted the changes Jesus has made in my life, and I am excited for how Jesus will work in my life in the future. My life has changed by this decision in how it has impacted my attitude, how I follow directions, and it has helped me focus on what is important.

My attendance at Grace encourages me by giving me the opportunity to serve in Grace Kids. It has made me more confident as talk about my faith with others.
