EMPOWER YOUR BRAND AMBASSADORS

**Your content.
Your DNA.
Your teams.**

*You are about to make a **huge announcement** and you would like for **all your team** to post about it on their **own social media**. Well, you are just a push notification away!*

HOW IT WORKS...

- 1** We prepare an iOS Application for your organization.
- 2** Add your curated images and videos accompanied by your perfect hashtags and verbiage.
- 3** Send a push notification to the app for your users to post the media on their own accounts.
