AMERICAN CHILDHOOD CANCER ORGANIZATION INLAND NORTHWEST

ACCOIN serves all children diagnosed with cancer from Eastern Washington and those traveling to Spokane, Washington for treatment. Funds raised locally remain in our communities to help children with cancer in the Inland Northwest. ACCOIN is dedicated to providing emotional and practical support, education, patient advocacy, and the assurance that no child or family will have to fight cancer alone. Pool World loves to support our local community so for our annual Warehouse Clearance Sale we will be donating \$100 to ACCOIN for every spa sold during the sale.

Endless Pools® Fitness Systems

FREE \$1,000 Accessory Package
with purchase thru 12/31/19

Impeccable design meets spacious wellness.

There is nothing like the feeling you get after a rigorous workout. This is the beauty of having your Endless Pools® Fitness System just steps away from your backdoor, where you can swim, run, exercise and relax in the privacy and convenience of your backyard.

Swim whenever you want and at your own pace. No more traveling, no more crowds, no heavy chlorine. Just your own private resort. Enjoy backyard living at it's finest with an Endless Pool by Watkins Wellness, the makers of Hot Spring and Caldera hot tubs. Make it your space, at your pace.

Don't purchase a Swim Spa without taking a swim. Compare the action and see why an Endless Pool is best for you!

In 1976 Kerry and Lyla Henderson opened Pool World after building their own backyard swimming pool. Their goal was to provide the Inland Northwest fun and relaxing products to make their backyard a place for their family to create memories to last a lifetime.

Nearly 1,900 pools later we continue to be a local family owned business, and have grown to three locations in Spokane and one in CDA. Lyla and her son Mark own the company and continue the tradition of installing quality products and providing knowledgeable service.

We're honored to have received the Aqua 100 Award for excellence in building, service and retailing for ten years in a row and have now been inducted into the Aqua 100 Hall of Fame. We not only design pools here locally but engineer and consult on jobs world wide.

We are proud of our continuing efforts to demonstrate integrity, provide quality workmanship, place a priority on customer satisfaction and take a leadership position in our community and industry. We support many causes like Cystic Fibrosis, the Humane Society, 2nd Harvest, Accoin and Every Woman Can.

Thank you for supporting us. We look forward to serving you for many years to come.

Clean Your Filters

When was the last time you *cleaned or replaced* your hot tub filters? Your filters should be cleaned at least every 6 to 8 weeks using a good filter cleaner/degreaser and you should replace your filters every 1 to 3 years. Old dirty filters can lead to hot tub malfunctions and determine whether you're *soaking in clean or dirty water*.

Keeping your hot tub filters clean is also key to *Preventing Costly Service Calls*.
