

ORIFLAMME  
TABLES

---

### *Spring Maintenance*

Remind your customers of the importance of doing regular maintenance on their fire tables.

---

POWDER COAT MAINTENANCE:  
- Metal Lid, Burner Ring and Base

To ensure your powder coat components stay looking fresh and new we recommend that you use a thin layer of Rustoleum clear coat twice a year for tables near salt water and once a year for all other tables. Be sure to spray a thin even coat to avoid any runs and drips.

---

## MAINTAINING THE HAMMERED COPPER:

SEAL IT WITH A CARNAUBA WAX FOUND AT YOUR LOCAL HARDWARE STORE TWICE A YEAR.

- \* Top requires regular wiping with warm water or mild soapy water
- \* Vinegar, cleaners that contain acid abrasive cleaners or furniture polish should NOT be used

## MAINTAINING THE GRANITE:

SEAL IT WITH A GRANITE SEALER FOUND AT YOUR LOCAL HARDWARE STORE TWICE A YEAR.

- \* Use a mild soap and water or a professional natural stone cleaner for daily use.
- \* Do not use abrasive cleaners.
- \* To ensure the beauty of your granite table top, it should be sealed twice a year.

## MAINTAINING THE MOSAIC TOPS:

SEAL IT WITH A STONE SEALER FOUND AT YOUR LOCAL HARDWARE STORE.

- \* Protect marble surface from scratching, staining and etching.
- \* Keep surface free of debris and sharp objects
- \* Wipe up spills immediately
- \* Avoid contact with chemicals (particularly acid based materials)
- \* Clean with pH neutral products
- \* After a period of use, apply a penetrating sealer to prevent contaminants from being absorbed into the stone.
- \* Renew the surface on polished marble by buffing with special stone polish.
- \* Do not use marble polish on matte finish marble.

## MAINTAINING THE TUSCAN & SAVANNA STONE:

SEAL IT WITH A STONE SEALER FOUND AT YOUR LOCAL HARDWARE STORE.

- \* Wipe down table top regularly with a damp cloth.
- \* Wipe up spills immediately.
- \* Use "Simple Green®" or a natural citrus cleaner and sponge for difficult areas.
- \* Use "Dawn®" dishwashing liquid and water for grease or oil spots.
- \* Use "Mr. Clean Magic Eraser®" for small, hard to clean areas.
