How Do We Build In Affordable Luxury?

- With our DTST™ (Dual Therapy System), a combination of high volume whirlpool flow and targeted direct pressure jets.
- With Nordic Star™ high flow stainless steel jets designed to optimize water flow and pressure to offer you a fully customizable hot water massage.
- With a powerful 1.5hp, continuous duty pump and convertible 110v/220v system to give you outstanding water flow for optimal hot water therapy.
- With optional Nordic Wrap™ insulation for additional protection from low ambient temperatures.
- With an optional Northern Lighting Package™ to create a magical nighttime ambiance.
- With optional Nordic Clean™ or Nordic Pure™ ozonators to help maintain consistent water quality.
