## 📍 Philippines - Aborlan (Palawan)

Give back to the people of Palawan by constructing and renovating their houses, health care centers, schools, or other community facilities.

In Palawan, there is a high demand for assistance in construction and renovation work. Many people on this Island don't have the funds to renovate their houses or upgrade communal places such as schools, healthcare facilities and community centres. This program is sure to bring you closer to the kind and friendly people of Palawan.

## **Program Description**

There are many people living on the Island of Palawan who don't have the funds to upgrade their living conditions. With this project, we are trying to assist these people with their housing and help renovate, upgrade and construct communal places and institutions such as schools, healthcare centres, hospitals, community centres and so on.

In this project, you will work alongside local Palawan people and this will give them a unique insight into the lifestyle and culture of the population of this beautiful island. Moreover, you will join other participants from all over the world to jointly work on these construction efforts.

The main construction and renovation activities will consist of painting, building walls, renovating furniture, gardening and so on. Construction experience is not required, anybody can join and give a helping hand to the local people of Palawan!
