Location

Nosy is an island off the northwest coast of Madagascar. Nosy Be is Madagascar's largest and busiest tourist destination. It has an area of 320.02 square kilometers and its population was estimated at 73,010. Nosy Be means "big island" in the Malagasy language. The island was called Assada during the early colonial era of the 17th century.

Here you'll find volcanic lakes, lemurs, rum distilleries, Ylang Ylang plantations and breathtaking coral reefs that are practically begging to be explored. In May, come to experience the four-day Donia Music Festival. Perfectly located on the Indian Ocean between Africa and Asia, Nosy-Be evokes feelings of discovery and adventure, the rich and endemic biodiversity will have begging for more. There are many spots that are perfect for ones who seek a golden opportunity to swim among turtles, stingrays or manta rays.

Accommodation & Food

About the Accommodation

In our center, there is a dining room, a lounge area where you can hang out with fellow participants and a beautiful garden to relax. A balcony and large roof terrace is also available for you to spend some quality time.
