📍 Croatia - Split

Join with us to support the skill development of disadvantaged children who will be very happy to spend time with you!

You will be contributing by providing education to the disadvantaged children that would bring smiles in their faces. Your main task would be to work hand in hand with the staff of the organization in uplifting the quality of life of children.

## Program Description

---

Your job will be to support in the vision of providing a quality life for the disadvantaged children. Particularly, by teaching and involving the children in various other activities, you will be training them to live a normal life as much as possible. Getting additional support from you is much required for the smooth functioning of the organization particularly if you are passionate about art and have patience with children. If you have any qualifications in special education, it would be an added advantage to take part in this project.

## Program Duration & Availability

---

**Min duration (weeks):** 1

## Aims & Objectives

---

To uplift the quality of life of disadvantaged children by utilizing modern teaching techniques and skill development activities.

## Schedule

---

### Monday to Friday

- Lesson planning and research to plan for the next day's teaching inputs for the children
- Maintaining a file on each child with an overview of their capacity for the reference of future participants
- Weekly meetings amongst participants to brainstorm the programs undertaken
- Engaging in activities as advised by the staff to uplift the living standards of the children
- Communicating with children through creative activities and simple games

This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances.
