Kanchanaburi

Thailand

Boasting some of Thailand's finest forests, a statement not to be taken lightly, Kanchanaburi is rapidly increasing as a popular tourist destination.

Situated 130 km west of Bangkok, its central location makes it an ideal stop off point for those travelling through Thailand. Our location is based in a beautiful setting where you can see the elephants enjoying their natural habitat.

Accommodation & Food

About the Accommodation

Accommodation is provided in a spacious house within the Sanctuary grounds. The rooms are simple, yet comfortable and appropriate for this setting.

Food Arrangements

A variety of Thai style dishes (vegetarian and fish) will be served. Mostly rice dishes will be provided in addition to fruits and vegetables, on a few occasions meat may be available too.

Facilities

The closest ATM is about 5 kilometers outside of the Elephant Camp. There is also a hospital, multiple convenience stores and also a pharmacy close-by for all your essential needs.

Mandatory Orientation Day

At this location there is no mandatory orientation day offered.

Activities & Events

No scheduled activities outside the program.

Sights & Surroundings

Due to its rural location, participants on this program normally stay on site at the park and enjoy their immediate surroundings. For those wanting to trek further afield, you might stumble across some waterfalls!
