WSTR NEWS

2022 saw many ups and downs but the highlight of the year was the sixteenth annual Finale event. As you read through the results you were undoubtedly impressed with not only the records that were set but also the personal stories of the lives that were changed and added to the annuals of winners.

Notwithstanding this great event, the size of the event and quality of cattle necessary to pull it off continues to cause lots of headaches in operation. Growing inflation and low cattle supplies as a result of salvage cattle values are not making it any easier. While we were able to gather ample cattle for the Finale, pulling together so many cattle from various herds resulted in continual sort and probably more re-runs than we have ever given in a major event. All of our staff in the arena was very sensitive to it and tried at every turn to give the benefit of the doubt to the ropers. However, when the number of reruns increases everyone is aware there are those who will attempt to use that to their advantage. At the end of the event, we believe each roper had a fair chance to compete, however, make no mistake - we will make the necessary changes and put in much more effort prior to the event to insure that that our long standing reputation of good cattle and sort is done well in advance next year. Some years are definitely better than others, but you can rest assured we will do our best to acquire the best available herds come next December.

The other rumor of concern that we have heard from many of you is that the entry fees at WSTR qualifiers are going up. While the entry fee of \$150/roper has not changed since WSTR's inception in 2006, the fees are not increasing across the board but rather at standard qualification events contractors will have the option to offer one higher fees event per day for those of you who want to participate. We have no doubt that the market - what ropers support or will not support will certainly control the ultimate formats moving forward.

Again, congratulations to all of the winners not only from the Finale but all season long. Here's to another great year of team roping.

CAVENDER'S

CAVENDER'S

Happy Belated New Year Ropers!

We hope that between the cold snaps, a whole lot of rain, trying to find hay, and being stuck at the airport for days on end, all things considered, 2023 is off to a good start for you and your roping family! With the way things have been over the last few years, if we can't find a little humor in the endless onslaught of curve balls, we would wonder "whats-up!"

It is hard to believe, but it is time for all of us to start planning the trip to Fort Worth for the 34th Anniversary of the Cinch USTRC National Finals of Team Roping! This year the NFTR will kick off on April 23-30th and all the action will be right at the Will Rogers Memorial Center. The setup will be much the same as ropers have been accustomed to over the last few years. Three arenas, easy in and out for parking and stalls, a great trade show, tons of

money and prizes, and short rounds that are done early each night so you can enjoy time with friends and family in Historic Fort Worth.

In addition to the team roping, the first-ever Total Feeds National Breakaway Championships will be held in conjunction with the US Finals. The breakaway championships will consist of the following divisions: Women's Open, Women's 19 and Under, Women's 15 and Under, and a Boy's 12 and Under. These championships will be held in the Watt Arena.

This time of year, the question that comes up at every entry window and in the roping office daily is, "What membership level is the best suited for me and my family?" Below is a quick guide to help you find the best membership level to match your roping plans for 2023.

NTRL

NEWS

As we begin a new year, we would like to take this opportunity to thank all of the ropers who made the choice to come to a JX2 or NTRL event. We want to send a sincere **THANK YOU** to all of the NTRL producers who host NTRL ropings around the East! We would also like to take this time to say **THANK YOU** to all of the valuable sponsors of JX2 Productions/NTRL! We encourage you to support our sponsors and producers any chance you get, and whenever possible, please let them know how much you appreciate what they do for the sport of team roping.

Beginning with February, we host the USTRC/WSTR Muddy River Super Qualifier in Memphis, Tennessee, February 10-12, 2023, and the

Florida Championships Super Qualifier in Sarasota, Florida, February 25-26. Sarasota will be a 2-day event this year, so please keep that in mind. Don't forget to put the Big Ticket, March 10-12, 2023, in Tunica, Mississippi on your calendar! This is always a great event! We will be having the Tennessee Championships in Franklin, Tennessee, March 18-19, 2023. Be sure to mark these dates on your calendar and we look forward to seeing you there!

SEE YA AT A ROPING SOON!

Integrity is doing the right thing,
even when no one is watching

Dear Team Ropers,

I'd like to take a few moments to introduce you to my family and myself. Both my wife (Melissa) and I have 30+ years experience in owning a business and providing customer service. When we finally decided to launch **Integrity Team Roping Production Company** two years ago, we knew there were several key ingredients to build a successful business. At the top of the list is;

1. Provide a superior product that your customers want.
2. Treat everyone with dignity and respect.
3. Surround yourself with a staff of true professionals.
4. Run the business with honesty and integrity.

One of my first calls was to Kathy Cox. Kathy and her family have been a key ingredient to our success the last two years. She is well known all over the country for announcing team ropings. Her honesty is unquestionable, and her experience in the industry is invaluable. I am also supported by a great network of family and friends. All my grown children and their spouses are involved in the operation. We are definitely a family-run business, and expect a family friendly atmosphere at all our events. I own my own cattle, it averages around 350 head. I strive to keep quality cattle in front of our ropers. If we remove a steer from the lineup, it gets sold. I want my ropings to be a "roping contest" not a "drawing contest". With the help of **Legend Tack and Silver**, and **Trent Ward Saddlery**, we offer an industry leading prizeline and cash payout.

We are excited to announce our **\$50,000 ADDED MONEY FINALS** will be at the world famous Lazy E Arena in Guthrie, OK on May 4-7, 2023. Anyone can rope at our finals, but we offer discounted entries to our event winners and discounted entries can also be earned through our loyalty program. For every three events you enter, you will receive one discounted entry to our 2023 Finals.

***If you've never been to one of
our events, come see what
you've been missing!***
