# **Welcome to the 2026 Fort Worth Patriot & Hooley Junior Patriot Finals**

As America celebrates 250 years of freedom, the word Patriot carries special meaning. Generations before us fought for the liberties we enjoy today—freedoms that allow us to raise families, travel, gather, and compete in the sport we love. Every time we pull into an arena, we're living out that legacy while watching the next generation build their own in the greatest country in the world.

The continued growth of the Patriot and Hooley Junior Patriot Finals is remarkable, but what stands out most is the talent coming up through the ranks. Many of today's National Finals Rodeo competitors are only a few short years removed from winning here in Fort Worth. Events like this give young athletes the chance to face pressure early, build confidence, and develop into future champions.

**New for 2026**, we're excited to expand opportunities for our younger age groups with the addition of Semi-Finals divisions in the following events: **12 & Under Goat Tying, Barrel Racing, and Pole Bending**, along with **15 & Under Barrel Racing and Pole Bending**. These age groups will also be eligible for the **\$50,000 Bonus Round**, adding even more intensity to already competitive divisions. We're also proud to welcome back the **College Recruitment Meet & Greet**, sponsored by **Boot Barn**, offering athletes and families valuable connections to collegiate rodeo programs.

As always, competitors can expect elite competition, strong payouts, and a first-class experience throughout Patriot Week. With multiple arenas running simultaneously and continued improvements to event flow and operations, our goal remains simple: efficiency, excitement, and an unforgettable experience for everyone involved.

For detailed information regarding entries, qualification options—including the **exemption option**—arrival procedures, parking and camping, schedules, and event updates, we encourage all competitors and families to visit **PatriotEvent.com** and Patriot Event Facebook posts.

Thank you for being part of the Patriot legacy. Travel safely, compete hard, and enjoy your time in Cowtown. We're proud to welcome you to the 2026 Fort Worth Patriot & Hooley Junior Patriot Finals at the Will Rogers Memorial Center.

Sincerely,

**T.C. Long**

# THE TRADITION CONTINUES AT THE 37TH ANNUAL CINCH USTRC NATIONAL FINALS OF TEAM ROPING

## Ropers,

The wait is almost over. In just over a month, we will welcome you to the 37th Cinch National Finals of Team Roping, April 19-26 in Fort Worth, Texas, once again hosting the largest and most family-friendly team roping event in the country.

For nearly four decades, the USTRC has been built on a simple promise: to provide an affordable, fair opportunity for every roper and every family member to compete. That tradition continues at the US Finals. From beginners and young ropers learning how to win, to seasoned veterans competing in our age-protected divisions, the NFTR is designed so that everyone — at every age and every skill level — has a place to rope, compete, and chase meaningful payouts.

This year's Finals will once again feature the fast-paced three-arena format you've come to expect, kicking off with the Open division and running through the #7.5. Our age-protected events, including the Over 40 and Over 50 divisions, remain a cornerstone of the USTRC and are an important part of keeping competition fair, competitive, and enjoyable for ropers at every stage of life.

We also want to highlight the continued growth and excitement around our Key Card and Key Card Max events. These are higher-fee, higher-reward opportunities, built for ropers who want to compete for bigger payouts and premium prize lines. Key Card members are eligible for exclusive entry discounts, and for many ropers, a Key Card membership pays for itself in just a couple of entries at the Finals. Added benefits include Run Delivery, Live Streaming, Roping.com membership, US Roper roadside assistance, and more — truly the most bang for your buck at the Cinch NFTR.

In addition, the Cinch National Finals of Team Roping is where we will crown the yearlong champions in the Resistol Junior and Cinch All Girl award races. These prestigious awards are available only to ropers who attend and compete at the USTRC Finals, making Fort Worth the must-attend event of the season for those chasing year-end honors.

Inside this issue, you'll find everything you need to plan your trip to Cowtown, including event order, entry fees, stalls, and important deadlines. Please pay close attention to postmark and online entry dates to ensure you receive all available entry discounts.

Important reminder for ropers 20 and under (born 2006 or later): Beginning November 28, 2025, ropers under 21 must have at least 10 entries at any GEMS event to be eligible to rope at the US Finals. Families are the backbone of the USTRC, and we've made it easier than ever to meet this requirement by counting all entries at any GEMS event — not 10 separate events, just 10 total entries. These entries must be completed prior to all entry deadlines to qualify for any discounts. This rule helps us maintain the most level playing field possible as young ropers can progress very quickly in ability.

Be sure to watch for updates on Facebook, Instagram, and at USTRC.com. If you have questions, please contact us at [info@USTRC.com](mailto:info@USTRC.com) or call the team roping office.

Safe travels to you and your family. We look forward to welcoming you to Fort Worth and helping you make memories that will last a lifetime at the legendary US Finals.

See you in Cowtown,

*John Johnson*

## RESISTOL JUNIOR CHAMPIONS

RESISTOL is awarding the high point header and heeler who are 18 and under on or before April 26, 2026. At the end of the NFR the top header and heeler over the course of the entire year, including the NFR, and based on points will each be awarded a thousand dollar bonus, a felt and a USTRC straw cowboy hat, and a Gist belt buckle. Ropers must enter at least one Shootout division in the USTRC NFR to be eligible. During the Cinch NFR, the placing points are doubled. Don't miss this opportunity to enter multiple times and get those extra points. The award will be announced at the end of the USTRC National Finals of Team Roping event. Must be a current USTRC or Key Card member at time of winning for points to be awarded.

## JR. LOOPER CHAMPIONSHIPS

The three age divisions of Jr. Looper Ropings will once again be offered; 6 Years & Under, 7-9 Years, 10-12 Years (available to youth born on or after May 1, 2014 or later). Birth certificate required at time of entry.

## STALLS

One of the things you will want to take care of when entering is making your stall reservations. Advance reservations provide better assignments with easy check-in, and a separate priority entrance - much more convenient than walk-up reservations and long lines to enter the grounds. For those of you who make your reservations in advance, because we have many opportunities to rope, your plans may change after you arrive, don't worry! You can extend your stay on-site at the stall office. April 7 is the receipt deadline for stalls. Because we pre-pay WRMC for the stalls reserved in advance, no refunds are available after April 7.

## HOTELS

We have great hotel partners who have welcomed team ropers with special discounted rates. Take advantage of the discounted USTRC Finals rates and reserve early! The hotel list is included on the following pages.

## OTHER CHANGES

Due to the number of entries at the Cinch NFTR, we will continue to use multiple arenas. This will keep each day relatively short and allow ropers to rope three steers quickly and have the final short rounds of the day in plenty of time to go enjoy dinner. NRS Event Center USTRC Finals Qualifier will also be offered as a warm-up the weekend before the US Finals. All average winners will be eligible for one on-site entry discount by presenting their winner coupon at time of entry.

## USTRC TRADE SHOW

Always one of the most popular attractions at the USTRC Finals, the trade show is dedicated to team roping and team ropers and continues to offer must-have products. While the bulk of the show will be held adjacent to the John Justin Arena, NRS will be on the mezzanine with official USTRC NFTR apparel, and many other vendors will be located just outside. Additional trade show booths will be located in the northwest corner of the building. Ropers and fans can easily shop and browse while walking between the John Justin, outside pavilion, and Will Rogers Coliseum.

# 2026 CINCH USTRC FINALS UNCONDITIONAL RELEASE

## FULL AND UNCONDITIONAL RELEASE FOR PARTICIPATION

**PARTICIPANT HAS READ AND VOLUNTARILY AGREES TO THE RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT** on this form, and further agrees that no oral representations, statements, or inducements apart from the foregoing written agreement have been made. By participating I acknowledge that I have been sufficiently informed of the risks involved by my own free act and deed; that by participating I give voluntary consent with full intention to be bound by the same, and free from any inducement or representation. Whether signed or not, by participating, I agree that this waiver will remain effective from time of entry at any USTRC event, including qualifiers forward whenever I participate in any USTRC event.

Each participant is fully aware, completely understands, and accepts that participation in any USTRC Event, whether as a contestant, independent contractor, employee, volunteer, exhibitor, sponsor or spectator, is dangerous and that the events and activities associated with, relating to, arising out of, and concerning this participation present substantial, serious, and real risks of personal injury or death to the participant, and the loss of, damage to, or destruction of the participant's personal property including livestock.

In Consideration of being permitted to participate in, enter upon any venue or any facility including the **Will Rogers Memorial Center** and associated facilities for the event of the United States Team Roping Championships Finals and its individual qualification events, I and all persons under my management and control including minor children, acknowledge the dangers inherent with COVID-19, the dangers inherent in horse-related events, and in the use of the facilities. I fully and completely accept and assume these substantial, serious, and real risks whether or not apparent, known, unknown, foreseen, unforeseen, present, or contingent, and whether or not caused by any negligence of the Released Parties, or the negligence of any contestant, volunteer or spectator including but not limited to, any negligence associated with the design or designing, staging, supervising, maintaining or in any way presenting, conducting or sponsoring the Event, further I agree to use extraordinary care and prudence in my activities and those of charges, and do: **HEREBY RELEASE, WAIVE, DISCHARGE AND COVENANT NOT TO SUE** the organizers or any subdivision thereof, chairmen, agents, officials, and do: **HEREBY AGREE TO INDEMNIFY AND SAVE AND HOLD HARMLESS** City of Fort Worth dba Will Rogers Memorial Center and associated facilities, any other facilities used for a USTRC event, Equine Network, LLC, dba United States Team Roping Championships, its sponsors, its agents, servants, employees, and representatives from any claim, demand, or liability for personal injuries or property damage arising from participation or use and enjoyment of the event and facilities.

**PROMOTIONAL MATERIALS:** As a Participant(s) I grant permission to the United States Team Roping Championships and its assigns or the Will Rogers Memorial Center or its assigns to use photographs, videos, recordings and/or words said by participants in its promotional and advertising materials without notification or compensation.

**ASSURANCES.** As a participant I fully understand and agree that this Release is to be interpreted and applied in the broadest and most comprehensive manner in favor of the RELEASED PARTIES. As a participant I agree that I have full power authority, capacity and right without limitation to sign, deliver and perform this Release. This release shall be and is binding upon the participants and his/her spouse, legal representatives, heirs, successors, and assigns. The participant agrees that the laws of the States of New Mexico govern this Participation Release. The participant also agrees that upon entry to any event, I have read and understand said agreement whether the signature has been returned or not.

### ARBITRATION.

PLEASE READ THIS SECTION CAREFULLY - IT MAY SIGNIFICANTLY AFFECT YOUR LEGAL RIGHTS, INCLUDING YOUR RIGHT TO FILE A LAWSUIT IN COURT.

**Dispute Resolution:** In the event of any dispute relating to this Agreement, the relationship between Equine Network, LLC ("EN") and you (including but not limited to your membership in the WSTR and/or USTRC or as a Key Card holder), or any other dispute between EN and you (including but not limited to disputes regarding any claim, demand, or liability for personal injuries or property damage arising from participation or use and enjoyment of any sponsored event and facilities, claims of negligence, breach of contract, fraud or any claims based upon a written law and any disputes concerning any agents, partners, employees, officers, insurers, related entities, or persons of either you or EN), both EN and you agree to final and binding arbitration before a single neutral arbitrator (the "Arbitrator") applying New Mexico law, including in connection with any issue relating to the scope or proper interpretation of this arbitration obligation.

Either party may initiate the arbitration process by filing an initiating document with American Arbitration Association ("AAA"), or alternatively a mutually agreed upon arbitrator or arbitration service, under the applicable commercial arbitration rules for the AAA or the mutually agreed upon arbitration service. Unless otherwise required by applicable law, the arbitration will be conducted in Albuquerque, New Mexico.

EN and you agree to share equally in the cost of the arbitration, except that each side is responsible for its own attorney's fees and costs, unless the Arbitrator determines that a claim or defense was put forward in bad faith or in a frivolous manner, resulting in a reallocation of fees or costs as the Arbitrator may reasonably decide.

Unless this provision is prohibited by applicable law, you expressly represent and agree that in any dispute or arbitration proceeding, you can and will only seek to represent and advance your own interests; you shall be prohibited from seeking to assert a claim on behalf of any other party or person, either on a multi-party, representative, or class action basis, and in no event shall you be entitled to seek punitive or exemplary damages, or consequential or remote damages, in the absence of proof of knowing and intentional misconduct expressly approved or ratified by EN.

It is important that you make an informed decision about the implications of arbitration and that you understand the advantages and disadvantages of forgoing a judicial forum and proceeding with arbitration if a dispute arises. You agree that this dispute resolution process is not required by law, regulation, or ethical standard, but is an important provision to EN that is required in the acceptance of your membership to participate in a WSTR and/or USTRC event. By entering into this binding arbitration provision, you agree and acknowledge that:

- You and EN are waiving the right to submit the dispute to a judge or jury, although you and EN both retain the right to seek immediate injunctive or declaratory relief, including relief by ex parte expedited proceedings, in the case of breaches of confidence or violations of law or equity that require immediate judicial intervention in the protection of either, or both, parties' protected privacy, safety, or ethical rights or interests;
- Pre-arbitration discovery is generally more limited, and different from, the discovery allowed in court proceedings, and you and EN jointly request that the Arbitrator affirmatively prohibit discovery unless it is deemed actually necessary to the preparation of a party's case, in conformity with principles of due process, with the Arbitrator still directed to impose reasonable time, manner, and location limitations in order to expedite the discovery and overall resolution of the dispute;
- The Arbitrator's award is not required to include factual findings or legal reasonings, and it may contain factual or legal errors that cannot be reviewed on appeal or through separate legal challenge;
- This Agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. § 1, et seq. ("FAA");
- The Arbitrator is entitled to grant any remedy that an administrative agency, court, or jury would be entitled to issue, except for those damages or limitations noted above; and
- Judgment on any arbitration award may be entered in any court having jurisdiction, and the parties consent to the jurisdiction of the state or federal district court for the purpose of entry of the Judgment and any requirements contained therein.

By signing this Agreement and becoming a member of WSTR and/or USTRC or a Key Card holder, you warrant that you have received sufficient information regarding the arbitration process and have had the opportunity to seek any advice from independent counsel in reviewing the Agreement and its arbitration provision, allowing you to make an informed decision with respect to forgoing a judicial forum. In addition to the information about arbitration provided above, the rules and regulations for arbitrations conducted by the AAA are available for review on their website at [www.adr.org](http://www.adr.org). If you have any questions, you may contact your own independent counsel.

Further, Equine Network, LLC, dba, United States Team Roping Championships has the right to refuse entry to anyone for any reason it deems necessary, including but not limited to classification issues.

A parent or legal guardian of participants under eighteen (18) years old, acknowledge acceptance of this release by permitting their dependent's participation.

# Stall Release

## 2026 CINCH USTRC FINALS UNCONDITIONAL RELEASE

### FULL AND UNCONDITIONAL RELEASE FOR PARTICIPANT AND/OR HORSE OWNER WHO IS LENDING OR RENTING A HORSE TO A PARTICIPANT

*I Am Renting A Horse Stall At The United States Team Roping Championship's Event.  
I Have Read And Agree To This Horse Stall Release Of Liability Agreement.*

***I Further Agree I Have Read This Entire Document, Understand It Completely, And Agree To Be Bound By Its Terms In Its Entirety:***

- Horse Owner and/or Roper Agrees: That she/he has a current Health Certificate, negative coggins test, and brand inspection if required from his/her state.
- Insurance of Horse(s): Horse Owner understands and acknowledges that insurance is not provided to the horse owner by USTRC. If the Horse Owner elects not to secure insurance, then she/he agrees that she/he assumes all risks, expenses or liabilities associated with stalling his/her horse and the transport, care, loading and unloading his/her horse(s) by Equine Network, LLC, dba USTRC.
- "Unruly Staller": Unruly horses will be asked to leave the premises and will not receive refunded stall fees.
- Damage to Stalls caused by you or your horse will be your responsibility and you agree to pay for the actual cost of repair as incurred by the Will Rogers Memorial Center.
- Release of Liability: Horse Owner and Horse Rider (if different) hereby voluntarily releases and forever discharges Equine Network, LLC, dba United States Team Roping Championships, its sponsors, its agents, servants, employees, and representatives, and/or Barn workers from any and all liabilities, claims, demands, actions, or rights of action, which are related to, rise out of, or are in any way connected with the stalling of the horse owner's horse(s). Horse Owner further agrees, promises and covenants not to sue, assert or otherwise maintain or assert any claims against USTRC, its agents or employees, for any injury, death, disease, or damage to the aforementioned horse(s) arising from stalling of said horse(s) or from any claims asserted by other third parties regardless of who is at fault.
- Entire Agreement: Horse Owner and Horse Rider (if different) understands that this is the entire agreement between Horse Owner and Horse Rider (if different), Equine Network, LLC, dba USTRC, its agents and employees, and the stall manufacturer. These representations or statements supersedes and cannot be modified or changed in any way by any agent or representative of USTRC or the Horse Owner and Horse Rider.

#### ARBITRATION

PLEASE READ THIS SECTION CAREFULLY - IT MAY SIGNIFICANTLY AFFECT YOUR LEGAL RIGHTS, INCLUDING YOUR RIGHT TO FILE A LAWSUIT IN COURT.

Dispute Resolution: In the event of any dispute relating to this Agreement, the relationship between Equine Network, LLC ("EN") and you (including but not limited to your membership in the WSTR and/or USTRC or as a Key Card holder), or any other dispute between EN and you (including but not limited to disputes regarding any claim, demand, or liability for personal injuries or property damage arising from participation or use and enjoyment of any sponsored event and facilities, claims of negligence, breach of contract, fraud or any claims based upon a written law and any disputes concerning any agents, partners, employees, officers, insurers, related entities, or persons of either you or EN), both EN and you agree to final and binding arbitration before a single neutral arbitrator (the "Arbitrator") applying New Mexico law, including in connection with any issue relating to the scope or proper interpretation of this arbitration obligation.

Either party may initiate the arbitration process by filing an initiating document with American Arbitration Association ("AAA"), or alternatively a mutually agreed upon arbitrator or arbitration service, under the applicable commercial arbitration rules for the AAA or the mutually agreed upon arbitration service. Unless otherwise required by applicable law, the arbitration will be conducted in Albuquerque, New Mexico.

EN and you agree to share equally in the cost of the arbitration, except that each side is responsible for its own attorney's fees and costs, unless the Arbitrator determines that a claim or defense was put forward in bad faith or in a frivolous manner, resulting in a reallocation of fees or costs as the Arbitrator may reasonably decide.

Unless this provision is prohibited by applicable law, you expressly represent and agree that in any dispute or arbitration proceeding, you can and will only seek to represent and advance your own interests; you shall be prohibited from seeking to assert a claim on behalf of any other party or person, either on a multi-party, representative, or class action basis; and in no event shall you be entitled to seek punitive or exemplary damages, or consequential or remote damages, in the absence of proof of knowing and intentional misconduct expressly approved or ratified by EN.

It is important that you make an informed decision about the implications of arbitration and that you understand the advantages and disadvantages of forgoing a judicial forum and proceeding with arbitration if a dispute arises. You agree that this dispute resolution process is not required by law, regulation, or ethical standard, but is an important provision to EN that is required in the acceptance of your membership to participate in a WSTR and/or USTRC event. By entering into this binding arbitration provision, you agree and acknowledge that:

- You and EN are waiving the right to submit the dispute to a judge or jury, although you and EN both retain the right to seek immediate injunctive or declaratory relief, including relief by ex parte expedited proceedings, in the case of breaches of confidence or violations of law or equity that require immediate judicial intervention in the protection of either, or both, parties' protected privacy, safety, or ethical rights or interests;
- Pre-arbitration discovery is generally more limited, and different from, the discovery allowed in court proceedings, and you and EN jointly request that the Arbitrator affirmatively prohibit discovery unless it is deemed actually necessary to the preparation of a party's case, in conformity with principles of due process, with the Arbitrator still directed to impose reasonable time, manner, and location limitations in order to expedite the discovery and overall resolution of the dispute;
- The Arbitrator's award is not required to include factual findings or legal reasonings, and it may contain factual or legal errors that cannot be reviewed on appeal or through separate legal challenge;
- This Agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. § 1, et seq. ("FAA");
- The Arbitrator is entitled to grant any remedy that an administrative agency, court, or jury would be entitled to issue, except for those damages or limitations noted above; and
- Judgment on any arbitration award may be entered in any court having jurisdiction, and the parties consent to the jurisdiction of the state or federal district court for the purpose of entry of the Judgment and any requirements contained therein.

By signing this Agreement and becoming a member of WSTR and/or USTRC or a Key Card holder, you warrant that you have received sufficient information regarding the arbitration process and have had the opportunity to seek any advice from independent counsel in reviewing the Agreement and its arbitration provision, allowing you to make an informed decision with respect to forgoing a judicial forum. In addition to the information about arbitration provided above, the rules and regulations for arbitrations conducted by the AAA are available for review on their website at [www.adr.org](http://www.adr.org). If you have any questions, you may contact consult your own independent counsel.

Further, Equine Network, LLC, dba, United States Team Roping Championships has the right to refuse entry to anyone for any reason it deems necessary, including but not limited to classification issues.

A parent or legal guardian of participants under eighteen (18) years old, acknowledge acceptance of this release by permitting their dependent's participation.
