

The richest quarter horse event in the world, the Ariat World Series Finale, celebrates its 20th edition in 2026! Coming off another record breaking payout to ropers of over \$20.4 million in 2025, ropers can look forward to an even bigger and better Finale this year as WSTR pulls out all the stops for the historic Finale XX!

The growth of the Ariat Finale year over year has been nothing short of astonishing. The amazing folks at South Point Hotel and Casino have remained steadfast in their commitment to accommodate and support this growth. WSTR has announced the expanded schedule for Finale XX which will take place December 3-13 2026. The order of events will look a little different this year, with the #16.5 add-on and the Open Finale kicking off the action on Thursday December 3rd. Mid-week will feature a brand new addition to the Finale as WSTR introduces the "Riata National Rope Horse Rewards Day." In the pages of this edition of the TRJ you will find all the information on the National Rope Horse Program in a feature article or go to RiataBuckle.com. Be sure to check out the complete schedule for the Ariat WSTR Finale at WSTRoping.com.

April is full of opportunities for you and your partner to get qualified for the WSTR Finale! The USTRC Finals will feature four Key Card Advantage divisions, these special fees WSTR qualifiers provide Key Card and Key Card Max members with exclusive entry discounts. In addition, WSTR producers will host over a dozen qualifiers this month in AZ, AL, GA, TX, KS, CA, and OR. Qualified ropers will continue to have access to the best pricing when entering the Finale, so there has never been a better time to get to the next WSTR qualifier near you! Check out the full list of upcoming events at WSTRoping.com/calendar.

Good luck to all WSTR members as you hit the team roping trail this spring, safe travels and we can not wait to see at Finale XX in December!

THE TRADITION CONTINUES AT THE 37TH ANNUAL CINCH USTRC NATIONAL FINALS OF TEAM ROPING

Dear Ropers,

We can not wait to welcome you and your families to Cowtown for the Cinch National Finals of Team Roping! April 19-26 ropers from all around the world will converge on the Historic Will Rogers Memorial Center in Fort Worth, TX for the 37th addition of the USTRC Finals. Please be sure to check out all of the entry details and important timelines in the following pages.

A reminder to all ropers 20 years old and younger (born 2006 or later), you must have at least 10 entries at any GEMS event prior to entering the Finals. The USTRC Finals has always been the premier destination for team roping families to rope together and for young ropers in our sport to hone their skills and compete for outstanding payouts. Far from discouraging that, the 10 entry rule is designed to insure the most level playing field possible by allowing us to see young ropers, who's abilities can progress so quickly, in the months preceding the largest team roping of the year. Any entries at GEMS events beginning November 28 2025 count towards the required 10 entries.

As you get ready to turn your entries in, we encourage you take full advantage of the entry discounts available to Key Card and Key Card Max members. Being a Key Card Member can save you \$100 per entry assuming all timelines are met. This means if you plan to enter just

a few times at the finals, the Key Card Memberships can literally pay for themselves. In addition, Key Card Members get access to exclusive benefits including Roping.com, US Roper Roadside Assistance, all of your runs straight to your phone via Run-Delivery, and all of the Live Stream action from the USTRC Finals. Make sure you purchase or upgrade to the Key Card or Key Card Max today!

The USTRC Team has been working diligently for months to prepare every detail for your arrival in Fort Worth. Ropers can look forward to an outstanding set of steers, friendly staff, and our fast-paced multi arena set up, allowing you to enjoy your evenings and experience all that historic Fort Worth has to offer! It's time to pack up the rig, load up the family, and hit the trail to Cowtown.

RESISTOL JUNIOR CHAMPIONS

RESISTOL is awarding the high point header and heeler who are 18 and under on or before April 26, 2026. At the end of the NFR the top header and heeler over the course of the entire year, including the NFR, and based on points will each be awarded a thousand dollar bonus, a felt and a USTRC straw cowboy hat, and a Gist belt buckle. Ropers must enter at least one Shootout division in the USTRC NFR to be eligible. During the Cinch NFR, the placing points are doubled. Don't miss this opportunity to enter multiple times and get those extra points. The award will be announced at the end of the USTRC National Finals of Team Roping event. Must be a current USTRC or Key Card member at time of winning for points to be awarded.

JR. LOOPER CHAMPIONSHIPS

The three age divisions of Jr. Looper Ropings will once again be offered; 6 Years & Under, 7-9 Years, 10-12 Years (available to youth born on or after May 1, 2014 or later). Birth certificate required at time of entry.

STALLS

One of the things you will want to take care of when entering is making your stall reservations. Advance reservations provide better assignments with easy check-in, and a separate priority entrance - much more convenient than walk-up reservations and long lines to enter the grounds. For those of you who make your reservations in advance, because we have many opportunities to rope, your plans may change after you arrive, don't worry! You can extend your stay on-site at the stall office. April 7 is the receipt deadline for stalls. Because we pre-pay WRMC for the stalls reserved in advance, no refunds are available after April 7.

HOTELS

We have great hotel partners who have welcomed team ropers with special discounted rates. Take advantage of the discounted USTRC Finals rates and reserve early! The hotel list is included on the following pages.

OTHER CHANGES

Due to the number of entries at the Cinch NFTR, we will continue to use multiple arenas. This will keep each day relatively short and allow ropers to rope three steers quickly and have the final short rounds of the day in plenty of time to go enjoy dinner. NRS Event Center USTRC Finals Qualifier will also be offered as a warm-up the weekend before the US Finals. All average winners will be eligible for one on-site entry discount by presenting their winner coupon at time of entry.

USTRC TRADE SHOW

Always one of the most popular attractions at the USTRC Finals, the trade show is dedicated to team roping and team ropers and continues to offer must-have products. While the bulk of the show will be held adjacent to the John Justin Arena, NRS will be on the mezzanine with official USTRC NFTR apparel, and many other vendors will be located just outside. Additional trade show booths will be located in the northwest corner of the building. Ropers and fans can easily shop and browse while walking between the John Justin, outside pavilion, and Will Rogers Coliseum.

2026 CINCH USTRC FINALS UNCONDITIONAL RELEASE

FULL AND UNCONDITIONAL RELEASE FOR PARTICIPATION

PARTICIPANT HAS READ AND VOLUNTARILY AGREES TO THE RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT on this form, and further agrees that no oral representations, statements, or inducements apart from the foregoing written agreement have been made. By participating I acknowledge that I have been sufficiently informed of the risks involved by my own free act and deed; that by participating I give voluntary consent with full intention to be bound by the same, and free from any inducement or representation. Whether signed or not, by participating, I agree that this waiver will remain effective from time of entry at any USTRC event, including qualifiers forward whenever I participate in any USTRC event.

Each participant is fully aware, completely understands, and accepts that participation in any USTRC Event, whether as a contestant, independent contractor, employee, volunteer, exhibitor, sponsor or spectator, is dangerous and that the events and activities associated with, relating to, arising out of, and concerning this participation present substantial, serious, and real risks of personal injury or death to the participant, and the loss of, damage to, or destruction of the participant's personal property including livestock.

In Consideration of being permitted to participate in, enter upon any venue or any facility including the **Will Rogers Memorial Center** and associated facilities for the event of the United States Team Roping Championships Finals and its individual qualification events, I and all persons under my management and control including minor children, acknowledge the dangers inherent with COVID-19, the dangers inherent in horse-related events, and in the use of the facilities. I fully and completely accept and assume these substantial, serious, and real risks whether or not apparent, known, unknown, foreseen, unforeseen, present, or contingent, and whether or not caused by any negligence of the Released Parties, or the negligence of any contestant, volunteer or spectator including but not limited to, any negligence associated with the design or designing, staging, supervising, maintaining or in any way presenting, conducting or sponsoring the Event, further I agree to use extraordinary care and prudence in my activities and those of charges, and do: **HEREBY RELEASE, WAIVE, DISCHARGE AND COVENANT NOT TO SUE** the organizers or any subdivision thereof, chairmen, agents, officials, and do, **HEREBY AGREE TO INDEMNIFY AND SAVE AND HOLD HARMLESS** City of Fort Worth dba Will Rogers Memorial Center and associated facilities, any other facilities used for a USTRC event, Equine Network, LLC, dba United States Team Roping Championships, its sponsors, its agents, servants, employees, and representatives from any claim, demand, or liability for personal injuries or property damage arising from participation or use and enjoyment of the event and facilities.

PROMOTIONAL MATERIALS: As a Participant(s) I grant permission to the United States Team Roping Championships and its assignor the Will Rogers Memorial Center or its assigns to use photographs, videos, recordings and/or words said by participants in its promotional and advertising materials without notification or compensation.

ASSURANCES: As a participant I fully understand and agree that this Release is to be interpreted and applied in the broadest and most comprehensive manner in favor of the **RELEASED PARTIES**. As a participant I agree that I have full power authority, capacity and right without limitation to sign, deliver and perform this Release. This release shall be and is binding upon the participants and his/her spouse, legal representatives, heirs, successors, and assigns. The participant agrees that the laws of the States of New Mexico govern this Participation Release. The participant also agrees that upon entry to any event, I have read and understand said agreement whether the signature has been returned or not.

ARBITRATION.

PLEASE READ THIS SECTION CAREFULLY - IT MAY SIGNIFICANTLY AFFECT YOUR LEGAL RIGHTS, INCLUDING YOUR RIGHT TO FILE A LAWSUIT IN COURT.

Dispute Resolution: In the event of any dispute relating to this Agreement, the relationship between Equine Network, LLC ("EN") and you (including but not limited to your membership in the WSTR and/or USTRC or as a Key Card holder), or any other dispute between EN and you (including but not limited to disputes regarding any claim, demand, or liability for personal injuries or property damage arising from participation or use and enjoyment of any sponsored event and facilities, claims of negligence, breach of contract, fraud or any claims based upon a written law and any disputes concerning any agents, partners, employees, officers, insurers, related entities, or persons of either you or EN), both EN and you agree to final and binding arbitration before a single neutral arbitrator (the "Arbitrator") applying New Mexico law, including in connection with any issue relating to the scope or proper interpretation of this arbitration obligation.

Either party may initiate the arbitration process by filing an initiating document with American Arbitration Association ("AAA"), or alternatively a mutually agreed upon arbitrator or arbitration service, under the applicable commercial arbitration rules for the AAA or the mutually agreed upon arbitration service. Unless otherwise required by applicable law, the arbitration will be conducted in Albuquerque, New Mexico.

EN and you agree to share equally in the cost of the arbitration, except that each side is responsible for its own attorney's fees and costs, unless the Arbitrator determines that a claim or defense was put forward in bad faith or in a frivolous manner, resulting in a reallocation of fees or costs as the Arbitrator may reasonably decide.

Unless this provision is prohibited by applicable law, you expressly represent and agree that in any dispute or arbitration proceeding, you can and will only seek to represent and advance your own interests; you shall be prohibited from seeking to assert a claim on behalf of any other party or person, either on a multi-party, representative, or class action basis; and in no event shall you be entitled to seek punitive or exemplary damages, or consequential or remote damages, in the absence of proof of knowing and intentional misconduct expressly approved or ratified by EN.

It is important that you make an informed decision about the implications of arbitration and that you understand the advantages and disadvantages of forgoing a judicial forum and proceeding with arbitration if a dispute arises. You agree that this dispute resolution process is not required by law, regulation, or ethical standard, but is an important provision to EN that is required in the acceptance of your membership to participate in a WSTR and/or USTRC event. By entering into this binding arbitration provision, you agree and acknowledge that:

- You and EN are waiving the right to submit the dispute to a judge or jury, although you and EN both retain the right to seek immediate injunctive or declaratory relief, including relief by ex parte expedited proceedings, in the case of breaches of confidence or violations of law or equity that require immediate judicial intervention in the protection of either, or both, parties' protected privacy, safety, or ethical rights or interests;
- Pre-arbitration discovery is generally more limited, and different from, the discovery allowed in court proceedings, and you and EN jointly request that the Arbitrator affirmatively prohibit discovery unless it is deemed actually necessary to the preparation of a party's case, in conformity with principles of due process, with the Arbitrator still directed to impose reasonable time, manner, and location limitations in order to expedite the discovery and overall resolution of the dispute;
- The Arbitrator's award is not required to include factual findings or legal reasoning, and it may contain factual or legal errors that cannot be reviewed on appeal or through separate legal challenge;
- This Agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. § 1, et seq. ("FAA");
- The Arbitrator is entitled to grant any remedy that an administrative agency, court, or jury would be entitled to issue, except for those damages or limitations noted above; and
- Judgment on any arbitration award may be entered in any court having jurisdiction, and the parties consent to the jurisdiction of the state or federal district court for the purpose of entry of the Judgment and any requirements contained therein.

By signing this Agreement and becoming a member of WSTR and/or USTRC or a Key Card holder, you warrant that you have received sufficient information regarding the arbitration process and have had the opportunity to seek any advice from independent counsel in reviewing the Agreement and its arbitration provision, allowing you to make an informed decision with respect to forgoing a judicial forum. In addition to the information about arbitration provided above, the rules and regulations for arbitrations conducted by the AAA are available for review on their website at www.adr.org. If you have any questions, you may contact your own independent counsel.

Further, Equine Network, LLC, dba, United States Team Roping Championships has the right to refuse entry to anyone for any reason it deems necessary, including but not limited to classification issues.

A parent or legal guardian of participants under eighteen (18) years old, acknowledge acceptance of this release by permitting their dependent's participation.

Stall Release

2026 CINCH USTRC FINALS UNCONDITIONAL RELEASE

FULL AND UNCONDITIONAL RELEASE FOR PARTICIPANT AND/OR HORSE OWNER WHO IS LENDING OR RENTING A HORSE TO A PARTICIPANT

*I Am Renting A Horse Stall At The United States Team Roping Championship's Event.
I Have Read And Agree To This Horse Stall Release Of Liability Agreement.*

I Further Agree I Have Read This Entire Document, Understand It Completely, And Agree To Be Bound By Its Terms In Its Entirety:

- Horse Owner and/or Roper Agrees: That she/he has a current Health Certificate, negative coggins test, and brand inspection if required from his/her state.
- Insurance of Horse(s): Horse Owner understands and acknowledges that insurance is not provided to the horse owner by USTRC. If the Horse Owner elects not to secure insurance, then she/he agrees that she/he assumes all risks, expenses or liabilities associated with stalling his/her horse and the transport, care, loading and unloading his/her horse(s) by Equine Network, LLC, dba USTRC.
- "Unruly Staller": Unruly horses will be asked to leave the premises and will not receive refunded stall fees.
- Damage to Stalls caused by you or your horse will be your responsibility and you agree to pay for the actual cost of repair as incurred by the Will Rogers Memorial Center.
- Release of Liability: Horse Owner and Horse Rider (if different) hereby voluntarily releases and forever discharges Equine Network, LLC, dba United States Team Roping Championships, its sponsors, its agents, servants, employees, and representatives, and/or Barn workers from any and all liabilities, claims, demands, actions, or rights of action, which are related to, rise out of, or are in any way connected with the stalling of the horse owner's horse(s). Horse Owner further agrees, promises and covenants not to sue, assert or otherwise maintain or assert any claims against USTRC, its agents or employees, for any injury, death, disease, or damage to the aforementioned horse(s) arising from stalling of said horse(s) or from any claims asserted by other third parties regardless of who is at fault.
- Entire Agreement: Horse Owner and Horse Rider (if different) understands that this is the entire agreement between Horse Owner and Horse Rider (if different), Equine Network, LLC, dba USTRC, its agents and employees, and the stall manufacturer. These representations or statements supersedes and cannot be modified or changed in any way by any agent or representative of USTRC or the Horse Owner and Horse Rider.

ARBITRATION

PLEASE READ THIS SECTION CAREFULLY - IT MAY SIGNIFICANTLY AFFECT YOUR LEGAL RIGHTS, INCLUDING YOUR RIGHT TO FILE A LAWSUIT IN COURT.

Dispute Resolution: In the event of any dispute relating to this Agreement, the relationship between Equine Network, LLC ("EN") and you (including but not limited to your membership in the WSTR and/or USTRC or as a Key Card holder), or any other dispute between EN and you (including but not limited to disputes regarding any claim, demand, or liability for personal injuries or property damage arising from participation or use and enjoyment of any sponsored event and facilities, claims of negligence, breach of contract, fraud or any claims based upon a written law and any disputes concerning any agents, partners, employees, officers, insurers, related entities, or persons of either you or EN), both EN and you agree to final and binding arbitration before a single neutral arbitrator (the "Arbitrator") applying New Mexico law, including in connection with any issue relating to the scope or proper interpretation of this arbitration obligation.

Either party may initiate the arbitration process by filing an initiating document with American Arbitration Association ("AAA"), or alternatively a mutually agreed upon arbitrator or arbitration service, under the applicable commercial arbitration rules for the AAA or the mutually agreed upon arbitration service. Unless otherwise required by applicable law, the arbitration will be conducted in Albuquerque, New Mexico.

EN and you agree to share equally in the cost of the arbitration, except that each side is responsible for its own attorney's fees and costs, unless the Arbitrator determines that a claim or defense was put forward in bad faith or in a frivolous manner, resulting in a reallocation of fees or costs as the Arbitrator may reasonably decide.

Unless this provision is prohibited by applicable law, you expressly represent and agree that in any dispute or arbitration proceeding, you can and will only seek to represent and advance your own interests; you shall be prohibited from seeking to assert a claim on behalf of any other party or person, either on a multi-party, representative, or class action basis; and in no event shall you be entitled to seek punitive or exemplary damages, or consequential or remote damages, in the absence of proof of knowing and intentional misconduct expressly approved or ratified by EN.

It is important that you make an informed decision about the implications of arbitration and that you understand the advantages and disadvantages of forgoing a judicial forum and proceeding with arbitration if a dispute arises. You agree that this dispute resolution process is not required by law, regulation, or ethical standard, but is an important provision to EN that is required in the acceptance of your membership to participate in a WSTR and/or USTRC event. By entering into this binding arbitration provision, you agree and acknowledge that:

- You and EN are waiving the right to submit the dispute to a judge or jury, although you and EN both retain the right to seek immediate injunctive or declaratory relief, including relief by ex parte expedited proceedings, in the case of breaches of confidence or violations of law or equity that require immediate judicial intervention in the protection of either, or both, parties' protected privacy, safety, or ethical rights or interests;
- Pre-arbitration discovery is generally more limited, and different from, the discovery allowed in court proceedings, and you and EN jointly request that the Arbitrator affirmatively prohibit discovery unless it is deemed actually necessary to the preparation of a party's case, in conformity with principles of due process, with the Arbitrator still directed to impose reasonable time, manner, and location limitations in order to expedite the discovery and overall resolution of the dispute;
- The Arbitrator's award is not required to include factual findings or legal reasonings, and it may contain factual or legal errors that cannot be reviewed on appeal or through separate legal challenge;
- This Agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. § 1, et seq. ("FAA");
- The Arbitrator is entitled to grant any remedy that an administrative agency, court, or jury would be entitled to issue, except for those damages or limitations noted above; and
- Judgment on any arbitration award may be entered in any court having jurisdiction, and the parties consent to the jurisdiction of the state or federal district court for the purpose of entry of the Judgment and any requirements contained therein.

By signing this Agreement and becoming a member of WSTR and/or USTRC or a Key Card holder, you warrant that you have received sufficient information regarding the arbitration process and have had the opportunity to seek any advice from independent counsel in reviewing the Agreement and its arbitration provision, allowing you to make an informed decision with respect to forgoing a judicial forum. In addition to the information about arbitration provided above, the rules and regulations for arbitrations conducted by the AAA are available for review on their website at www.adr.org. If you have any questions, you may contact consult your own independent counsel.

Further, Equine Network, LLC, dba, United States Team Roping Championships has the right to refuse entry to anyone for any reason it deems necessary, including but not limited to classification issues. A parent or legal guardian of participants under eighteen (18) years old, acknowledge acceptance of this release by permitting their dependent's participation.
