

# NEWS

Things are in full swing for the 2026 WSTR season, which is already nearing the halfway mark. Many of you have already qualified and sent your entries in for the Ariat World Series Finale and for those still chasing that qualification and or participating consistently, there are still ample opportunities to punch your ticket.

The WSTR program strives to provide top notch events across the country that allow ropers to compete for great payouts and earn their coveted trip to the Finale in December. The Ariat WSTR is excited to announce that the association has teamed up with USTRC to provide additional qualification opportunities to customers over 40. The USTRC Legends events at Signature Qualifiers across the country will now be Dual Qualifiers, allowing ropers to qualify for both the USTRC Finals and the Ariat WSTR Finale! WSTR qualification rules apply, teams that win first or at least \$2,000/roper will receive qualification spots.

The deadline for direct entries for the Finale is quickly approaching at the end of this month. Ropers may direct enter for \$3,000/roper up to May 31st, entries received after that

deadline will be \$3,500 roper. Ropers, don't forget about the participation discount! Thirty entries at any combination of WSTR events allows you to enter the Finale for \$2,500/roper and every 10 entries after that provided you with an additional discounted entry. Ropers who have already direct entered and later qualify for participation or qualification discounts will be refunded the price difference upon notification to the WSTR office by the roper.

The PPQ program provides additional qualification opportunities, especially for those who have limited access to Ariat WSTR events. Take advantage of the chance to get qualified right from your own home, all you need do is catch four steers under the allotted par time for your division. PPQ events are hosted every Wednesday and select weekends each month, check out all the details at [WSTRoping.com](http://WSTRoping.com).

The month of May features WSTR Qualifiers in TX, OK, NM, NE, UT, CA, OR, ID, FL, AR, and Alberta, Canada! Get out there and enjoy the sunshine and take advantage of a qualifier near you!

## *Hello Ropers!*

The dust has settled and the lights have dimmed in Cowtown at the end of yet another amazing Cinch USTRC National Finals of Team Roping. The last steer was ran in the John Justin just a few days ago, and due to that fact, full results along with all the amazing stories will be published in the June issue of the Team Roping Journal. The end of the month timing of the NFTR means the staff at the team roping office are busy putting the final tallies on total payout, total entries, and the total number of ropers who attended. It is, however, safe to say that we went out with a bang in Fort Worth!

As the door closes on another chapter in the storied history of the USTRC Finals, we want to take the time to thank each and every one of you who have attended this wonderful event in Fort Worth over the last seven years. The memories made, prizes won, and names etched in the history books will never fade. Parents have seen their kids grow, learn, compete, and learn to excel in the floor of the John Justin. Families have shared in the highs and lows of victory and defeat. Cowtown was a wonderful home for this amazing event, and we are beyond grateful to all of you who have joined us on the ride.

As one door closes, another opens. The USTRC National Finals of Team Roping is coming full circle, back to where it all began. The 38th NFTR will be hosted at the historic Lazy E Arena in Guthrie Oklahoma, in May of 2027 the original venue of the

inaugural event in 1990. The newly expanded facility at Lazy E provides a wonderful opportunity for a homecoming for America's cowboy sport! What is sure to be nostalgic return for ropers who cut their teeth competing in the early years of the USTRC is also an opportunity for ropers of a younger generation to experience where the sport began. A perfect blending of fond remembered history and embracing the future which is brighter than ever!

As we look forward to another great team roping season, we have some exciting changes and more opportunities for team roping families to compete than ever before. We continue to strive to bring more USTRC events to more areas all across the country each year. We look forward to building on this growth and provide you with more opportunities to get qualified for the USTRC Finals in 2027.

In closing, I want to thank each and every roper who attended the USTRC Finals as well as all of the families, friends, and loved ones who support and cheer them on along the way. Look for all of the winners, including the Resistol Junior and Cinch Ladies year end awards, to be featured in next month's issue. We can't wait to see you at the next USTRC qualifier in your area!

*John Johnson*
