line your workflow with real-time viewing on your Android device and easy sharing for ultimate comfort in the field.

### PTZ Insurance Agency Ltd.

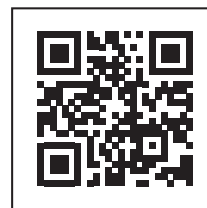

ASPCA® Pet Health Insurance for Horses program can help horses get the veterinary care they need. Our plans are the first-ever insurance plan exclusively for the health of your horse—no mortality insurance required! Visit Booth 1311 or ProtectYourHorse.com to learn more about our customizable plan options for horses.

### Shank's Veterinary Equipment

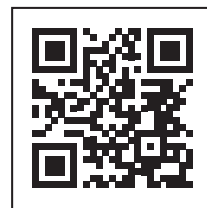

Founded in 1957, Shank's Veterinary Equipment is a leading manufacturer of large animal surgery tables. The company fabricates quality, versatile, and affordable products. Shank's continues to redefine the industry,

developing one-of-a-kind products and expanding their global presence with equipment in over 60 countries and partnerships with 150+ universities and zoos.

### Kelato

PROTEK GI is a daily supplement for horses prone to gastric ulcers. In collaboration with EGUS authority Dr. Ben Sykes, it features an alkaline slime barrier to protect the stomach against acid burn while buffering gastric acid. Combined with a prebiotic and probiotic, it stabilizes hindgut pH and promotes beneficial hindgut bacteria for optimal digestive health.

### Kentucky Performance Products

Kentucky Performance Products' newest supplement, AirWise®, is a synergistic formula developed to support healthy airway function in horses.

Research detailing the positive effects of AirWise on horses with equine asthma syndrome was recently published in the *Journal of Equine Veterinary Science*. Visit KPPvet.com or Booth 2233 to learn more.

## Standlee Smart Carb Performance Pellets

Standlee Smart Carb™ Performance combines a teff grass and alfalfa base with nutrient-rich ingredients for a palatable, low-starch formula for performance horses. It includes pre- and probiotics for digestive health and is carefully crafted by a PhD Equine Nutritionist, perfect for metabolic horses or any horse needing a premium diet with minimal sugar.

## Standlee Forage Plus Gastric Support Pellets

Standlee Forage Plus™ Gastric Support is an alfalfa-based forage designed to support gut healing and overall digestive comfort. With minimal sugar and starch, it includes marine-derived calcium, a pre- and probiotic blend for healthy digestion, and ButiPearl Z EQ to help protect and repair digestive tissue—ideal for sensitive or stressed horses.

**SMART EQUINE**

## Liquid Vitamin E

Vitamin E is a vital antioxidant that supports cellular health by protecting against oxidative stress. Because levels drop in dried hay, horses without quality pasture or those in heavy work may not get enough, making supplementation important for optimal health and performance.
