

“Deep Deep Love”

David Baroni/ Kingdomsongs Inc.CCLI # 6509992

F+2 **C/E** **F+2** **C/E**
Of the deep deep love of Jesus none can fathom none can tell
F+2 **C/E** **F+2** **F/G**
Though a thousand tongues describe it words alone will likely fail
Am9 **Fmaj7** **Am9** **Fmaj7**
But a child can understand it and convey such blessedness
F+2 **C/E** **Dm** **(F+2 C/E**
(x2)
That the one who trusts mere wisdom bows in wonder like the rest

F+2 **C/E** **F+2** **C/E**
Of the deep deep love of Jesus volumes written hymns are sung
F+2 **C/E** **F+2** **F/G**
And the eyes of faith still look away to the cross where He was hung
Am9 **Fmaj7** **Am9** **Fmaj7**
But the story was not over for the night became the dawn
F+2 **C/E** **Dm** **(F+2 C/E (x2)**
And the Son arose Redeemer and the deep deep love lives on

F+2 **C/E** **F+2** **C/E**
Of the deep deep love of Jesus none can fathom none can tell
F+2 **C/E** **F+2** **F/G**
Still the ones who dare receive it will arise from where we fell
Am9 **Fmaj7** **Am9** **Fmaj7**
And with gratitude surrendered to the One who won our hearts
F+2 **C/E** **Dm**
We pour out the love of Jesus 'til our mortal life departs
Am9 **Fmaj7** **Am9** **Fmaj7**
Yet the story is not over for the night became the dawn
F+2 **C/E** **Dm** **(F+2 C/E free**

worship)

And the Son arose Redeemer and the deep deep love lives on
