

TO BE LIKE YOU

C            G/B            Am            Am/G  
Jesus I wanna be just like You  
F                            G  
I wanna do the things that You do  
          C                    G/B                    Am                    Am/G  
And Jesus I'm sorry that I've fallen short  
F    G  
But I won't give up on the dream I hold

Fmaj7 G            G/B                    C
To be like You, that's my only prayer
Fmaj7 G            Em7                            Am7
To be like You, Jesus won't You help me
Fmaj7 G                            G/B                    C
To be like You, I'm down on my knees
Em7                            Am7
Cause I want You to know
Dm7                            G7                            Fmaj7 Em7 Ebmaj7
That I'm longing to be just like You
