

MOVING FORWARD

Words and Music by Holland Davis, Greg Fadness, Jason Houser

INTRO: G G/B C2 Em D C2

G
I have hope, an anchor for my life
Em
I have freedom, the peace that satisfies
Am
I have love that never fails that never leaves me
C2
Lonely or denied

G
And I can run, through the fire and the pain
Em
I can soar, on the strength of eagle's wings
Am
All my guilt and shame are washed away beneath the
C2
Power of His grace

CHORUS:

G
I'm moving forward, leave the past behind
Asus
I'm reaching higher in the strength of Jesus Christ
C2
I'm never turning back, never turning back
Never turning back

G
There's a race, a race that I must run
Em
There's a battle, that God's already won
Am
There is grace enough to cover over every
C2
Foolish thing I've done
