

COME TO THE WATERS (D)

LIGHTHOUSE
RISING in troubled times

VERSE

D **Dsus** **D**
Mercy found me on a dead-end road, lined with promise, I was chasing the ghosts
G **D**
of a fallen dream, I was going nowhere
D **Dsus** **D**
Then Jesus met me on that broken road, He said, 'I love you. Would you like to know
G **D**
What your purpose is? It's found in who I am.'

PRE-CHORUS

Bm **A** **G** **D/F#** **Em**
He said, 'Come and follow Me. Give up your life. Give up your dreams and you will see
G
my kingdom has no end.'

CHORUS

Dsus-D **Dsus-D** **G**
Come to the waters, come to the river of life,
Dsus-D **Dsus-D** **G**
Step in completely, and discover pleasures divine
Dsus-D **Dsus-D** **G**
A new life awaits you, a plan of my own design
Dsus-D **C** **D**
My sons and my daughters, come to the water
