

SHINE ON MY LIFE

A B E A  
The more I see You as You are  
F#m B/D# C#m A  
The more You show me who I am  
A B E A  
Oh bright and shining Morning Star  
F#m B/D# C#m A  
Your light reveals my heart within  
A B E  
So please come in and..

A	B	A	E
Shine on my life,	shine on my life	a - gain	
A			
(girls echo) Shine on my life			
E	B	A	E
Shine on my life,	shine on my life	a - gain	

Your holiness reveals my sin  
Which brings me back to grace again  
To loving arms and loving hands  
The place I find my refuge in  
Your mercy never ends..

Your Word reveals your heart for man  
Your Love restores my hope again  
So teach me Lord to rest within  
And take my life and use it then  
For your glorious plan

Shine through my life,	Shine through my life	again
(girls echo) Shine on my life		
Shine through my life,	Shine through my life	again
