Words and Music by Holland Davis © 1996 Maranatha! Music. CCLI # 1964941

D G D G  
I belong to You my Lord and King  
D A Em7  
And I know that Your desire is for me  
D G D G  
And your love falls like sweet refreshing rain  
D A Em7  
Gently flowing down again so free

### CHORUS:

D G  
Lead me to the place  
F#m Bm  
Where I can hear your words of healing  
Em G  
Where the fragrance of Your love  
A  
Consumes my soul  
D G  
Where my heart is overwhelmed  
F#m Bm  
With the mercy that you've given  
Em G A  
Where I hear your gentle voice call to me  
G  
You are my beloved

And many waters cannot quench the burning flame  
Rivers cannot wash away Your love

And I know that in you I am safe  
You call me by name - Your beloved one
