 A G D
You are my God, I am Your child
 A G D
You rescued me when I was lost
 A G Bm
And brought me in to Your family
 A G D
And now I live for You alone

CHORUS:

 Em D/F# G D/F#
And I will love You forever
Em D/F# G (D/F#)
I will love You forever

O Father God I want to know
Your precious heart, Your love and grace
To find my joy in the things You love
To let Your life be lived through me
