CHORUS:

D
Bring my body closer

G D
Bring my body home

Bring my body closer

G D
Bring my body home

Am7 Bm7
Children you must learn to listen

C G
Learn to know My will

Thy will be done

Am7 Bm7
I will shower out My spirit
C D Dsus D
Learn to let your heart be filled

Children I want no division
Learn to be as one
Jesus makes us one
My blood was shed for all who love Me
Sacrificed for everyone

Children though your hearts be hardened
Love will break you down
We submit to You
Cast out all your condemnation
Let the love of God abound
