2018 CAMP COACHES

Tim Koth
Tim Koth completed his fourth year at Wayne State in 2017, after serving the previous 10 seasons as the head coach at Northwood. Koth, who will enter his 24th year as a collegiate head coach in the fall of 2018, earned his 300th women’s volleyball coaching victory in 2015, and surpassed the 200 conference win plateau this past fall. He has over 400 combined victories as a men’s and women’s collegiate head coach.

In his time at WSU, his squads have played one of the toughest non-conference schedules in the country, which featured matches against #1 Tampa, #4 Minnesota Duluth, #9 Wheeling Jesuit and #24 Western Washington. During his tenure in Detroit, Koth’s student-athletes have earned 10 All-GLIAC selections, plus there have been 41 Academic All-GLIAC honorees.

This past season, the Warriors finished with a 16-13 overall record, along with a 10-6 mark in league competition. WSU advanced to the GLIAC Tournament Semifinals for the first time since 2012. The 10 conference victories recorded by both the 2016 and 2017 squads are the most since the 2012 team had 11 league wins. Wayne State has also qualified for the GLIAC Tournament each of the past two seasons.

Amanda Yaklin
Amanda Yaklin was named as the team’s assistant coach in March of 2017.

Yaklin comes to WSU after serving as the head volleyball coach at Oakland Community College, where she led the Raiders to a 20-10 overall record, including a 10-2 MCCAA mark. She was named MCCAA Eastern Conference Coach of the Year for her efforts.

From 2009-2014, she was the head coach at Northville High School, where she compiled a 215-89-33 career record, including back-to-back Class A final four appearances in 2012 and 2013. Previously, she was an assistant coach at Livonia Churchill High School from 2006 until 2008 and helped the Chargers win the Class A state title in 2007.

 Satellite  
Bring Wayne State Volleyball instruction to your school. WSU camp staff and coaches will travel to your school to provide the same instruction received at our on-campus Skills Camps. Satellite camps are tailored to your program’s needs and will provide individual and team training. Include your junior high and middle school programs too and start building for success. Camps can be scheduled in June and/or July. Minimum 20 players required. Contact the Wayne State Volleyball Office at 313-577-7541 for more information.
