# A Place for Belonging

FY21

Impact Report

July 1, 2020-June 30, 2021

Twenty-five percent of the Bender JCC's annual budget comes from generous donors, enabling us to provide the warmth of community to so many, even through a pandemic. We offer \$400,000 in financial assistance and support services annually to ensure that our programs and services are available to all. Throughout our fiscal year 2021, the Bender JCC has remained resolute in our commitment to connecting with and engaging the community at an isolating and anxious time.

## CLIMBING TO NEW HEIGHTS

Campers returned in person in June 2021. While the pandemic necessitated major accommodations, the value of gathering together outweighed the challenges we faced in making that happen. The unique features of our new climbing tower — made possible by the Yashar Initiative, a Foundation for Jewish Camp program that is generously funded by The Harry and Jeanette Weinberg Foundation — enable children of all abilities to experience the fun and challenges of climbing a tower.

## CHANGING LIVES

Inclusion at Camp JCC is made possible only with generous community support, so that additional costs — such as one-on-one staff support, lift-equipped buses and adaptive equipment — are not passed along to families. The impact of donor funds can be measured in the words of the parents of a camper with disabilities:

*"Camp JCC has been one of the best experiences of my son's childhood. Camp JCC changes lives."*

## HELPING THOSE IN NEED

We drove the Bender JCC's van, the "Wandering J," throughout the county, collecting and delivering food to our neighbors who have been impacted by the pandemic. Delivering Good began as a partnership between the Bender JCC, Montgomery County Food Council, and Montgomery County Public Schools to deliver food directly to residents who are food insecure and lack the means by which to travel to distribution sites.

## DIVERSITY, EQUITY, ACCESS AND INCLUSION

The Bender JCC celebrates the diversity of our community and welcomes all. Bender JCC staff and board members participated in a diversity, equity, inclusion and acceptance (DEIA) program through Joyous Justice, a multiracial social justice organization. The Bender JCC has committed to providing this ongoing learning opportunity for its entire staff.
