"HOMEWORK HELP FOR CHILDREN AND PARENTS" Ephesians 6:1-4

It's school time again and that means homework. Helping kids with homework is a big part of raising kids. But what about parents – who helps us with our homework? Today we look at home and work and look to heaven for help.

DISCUSSION QUESTIONS

1. Healthy homes combine love (affection and affirmation) with discipline (rules and correction). How close to this standard was the home you grew up in? How about your home now?

2. What did your parents do to help you follow the Lord? What worked and what didn't? What are you currently doing to make your faith contagious to your kids?
