

**THE QUESTIONS JESUS ASKED PART I**  
**MARK 5 AND JOHN 5**  
**FEBRUARY 23-24, 2019**

**INTRODUCTION**

- Jesus was a great teacher and all good teachers know that asking students questions can help them grow.
- This has always been the way of God.
- Jesus asked people a lot of questions, some so penetrating that people were shocked by them.
- Jesus asked a lot of questions with deep intent.
- He asked them to help them grow, not for information but for transformation.
- Today we will deal with two questions Jesus asked.

**I. WHO TOUCHED MY CLOTHES?**

- One of the strangest questions Jesus ever asked.
- Mark 5:27-30 NLT, She had heard about Jesus, so she came up behind Him through the crowd and touched His robe, for she thought to herself, “If I can just touch His robe, I will be healed.” Immediately the bleeding stopped, and she could feel in her body that she had been healed of her terrible condition. Jesus realized at once that healing power had gone out from him, so He turned around in the crowd and asked, “Who touched my robe?”
- Jesus’ day is like yours, full of interruptions!
- Jairus asks Jesus to heal his daughter, but before Jesus can get there this lady touches Him.

**II. TURNING AN INTERRUPTION INTO DESTINY**

- Jesus didn’t see either of these two as problems, but as people.
- Not as interruptions, but as people with destiny.
- When she touched Him she was healed.
- Jesus felt the power flow into her and asked, “Who touched my robe?”
- Who intentionally touched me to get healed?
- Jesus’ response – “daughter” your faith made you well.
- Jesus heals. He always has and He still does.

**III. DO YOU WANT TO GET WELL?**

- John 5:1-18 - Pools of Bethesda has a huge amount of sick and hurting people.
- Jesus didn’t heal them all.
- 38 years this guy has been lame, who brought him down to the pools daily?
- Jesus’ question, “Do you want to get well?”
- We often become so familiar with our brokenness that we chose to live in it.
- We get our identity and attention from it.
- It is a question many of us need to face, “Do you really want to get well?”...to grow?
- To get healed? Even if it is hard?
- We’ve all come to crossroads where we have to decide who we are and who we will become.
