

GIVE NEW LIFE

A PLACE OF FAITH, HOPE AND LOVE

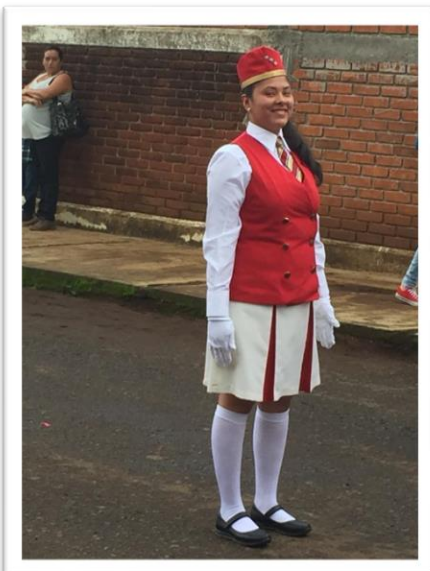

Lupita's Story

Lupita's story is one of resilience, determination, and triumph. Growing up, she faced numerous challenges and uncertainties. However, she never let her circumstances define her. With a burning desire to create a better future for herself, Lupita set her sights on achieving her dreams of becoming a college graduate in international business trade.

Throughout her journey, Lupita encountered countless obstacles that tested her resolve. Financial constraints and limited resources were just a few of the hurdles she had to overcome. But she refused to let these challenges deter her. With unwavering determination, she worked tirelessly, taking on part-time jobs and seeking scholarships to fund her education.

Lupita's path was not without its moments of doubt and fear. The weight of her past and the uncertainty of her future often threatened to overwhelm her. However, she refused to let fear dictate her choices. Instead, she trusted in God and channeled

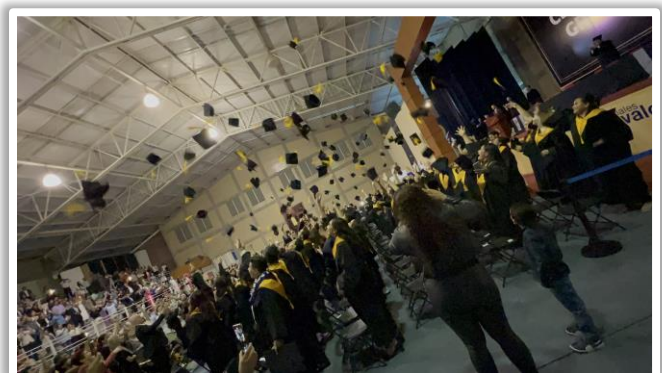

her fears into motivation, using them as steppingstones towards her goals.

With each passing semester, Lupita's confidence grew. She excelled academically, immersing herself in her studies and embracing every opportunity to expand her knowledge in the field of international business trade. She sought guidance from mentors, networked with professionals, and engaged in extracurricular activities to enhance her skills and broaden her horizons.

Finally, the day arrived when Lupita donned her graduation cap and gown, ready to receive her diploma. As she walked across the stage, a wave of emotions washed over us. Our applause and cheers echoed in her ears, a testament to her unwavering determination and the support she had garnered along the way.

Lupita's journey from a lost and forgotten child to the college graduation stage is a testament to the power of resilience and the strength of the human spirit. She defied the odds, shattered expectations, and proved that trusting God, with hard work, perseverance, and a belief in oneself, dreams can indeed become a reality. As she embarks on the next chapter of her life, visiting different countries like Panama and Canada, armed with her degree in international business trade, Lupita is ready to make her mark on the world, trusting in God and confident in her ability to overcome any obstacle that comes her way.

KIM IS READY FOR HER NEXT STEP.

Kimberly has finally reached the end of her elementary school journey. It has been a rollercoaster ride filled with laughter, friendships, and countless learning experiences. From her first day of kindergarten to her last day of sixth grade, Kimberly has grown both academically, spiritually and personally. She has tackled her fears and overcome childhood traumas, which made it very hard for her to grasp on a vision for her life and fully take on school. However, her determination and trust in God allowed her to achieve the first of many academical achievements. Along the way, she has made lifelong friends, shared countless memories, and discovered her passions. As she bids farewell to her elementary school, Kimberly is filled with a mix of excitement and nostalgia. She is ready to embark on the next chapter of her educational journey, but will always cherish the memories and lessons learned.

RAFAEL CAME THROUGH

Rafa's journey through junior high school has been a challenging one, filled with ups and downs. He has faced numerous obstacles and struggled with various subjects, but he never gave up. With determination and perseverance, Rafa has managed to overcome his difficulties and successfully graduate from junior high. This achievement is a testament to his resilience and hard work. As he prepares to enter high school, Rafa is filled with a sense of accomplishment and excitement. He knows that the road ahead may still be tough, but he is ready to face it head-on. Rafa's graduation from junior high marks a significant milestone in his educational journey, and he is eager to continue growing, learning, and achieving success in the next chapter of his academic life.

TEACHER ERICA HAS A MISSION

Teacher Erica has played a pivotal role in the establishment of our rural school. A few years ago, we found ourselves in the need of implementing an educational system that would allow our children to catch up to their grade according to their age, mainly because most of the children who come to us lack basic literacy skills. However, with Teacher Erica's dedication and expertise, she has helped us transform our children's lives. So far, she has helped 15 of our children to attend a public school. There, they will study like any other kid their age and make lifelong friendships and memories. Teacher Erica has worked tirelessly for a year to ensure that each child receives the necessary education to attend public schools. Through her guidance, the children have not only learned to read and write but have also gained confidence and a love for learning. Our vision is to provide our children with a childhood filled with cherished memories, friendships, and the opportunity to face challenges in a public school setting. Thanks to Teacher Erica's unwavering commitment, we are confident that our children will have a bright future ahead of them.

OUR TEAM

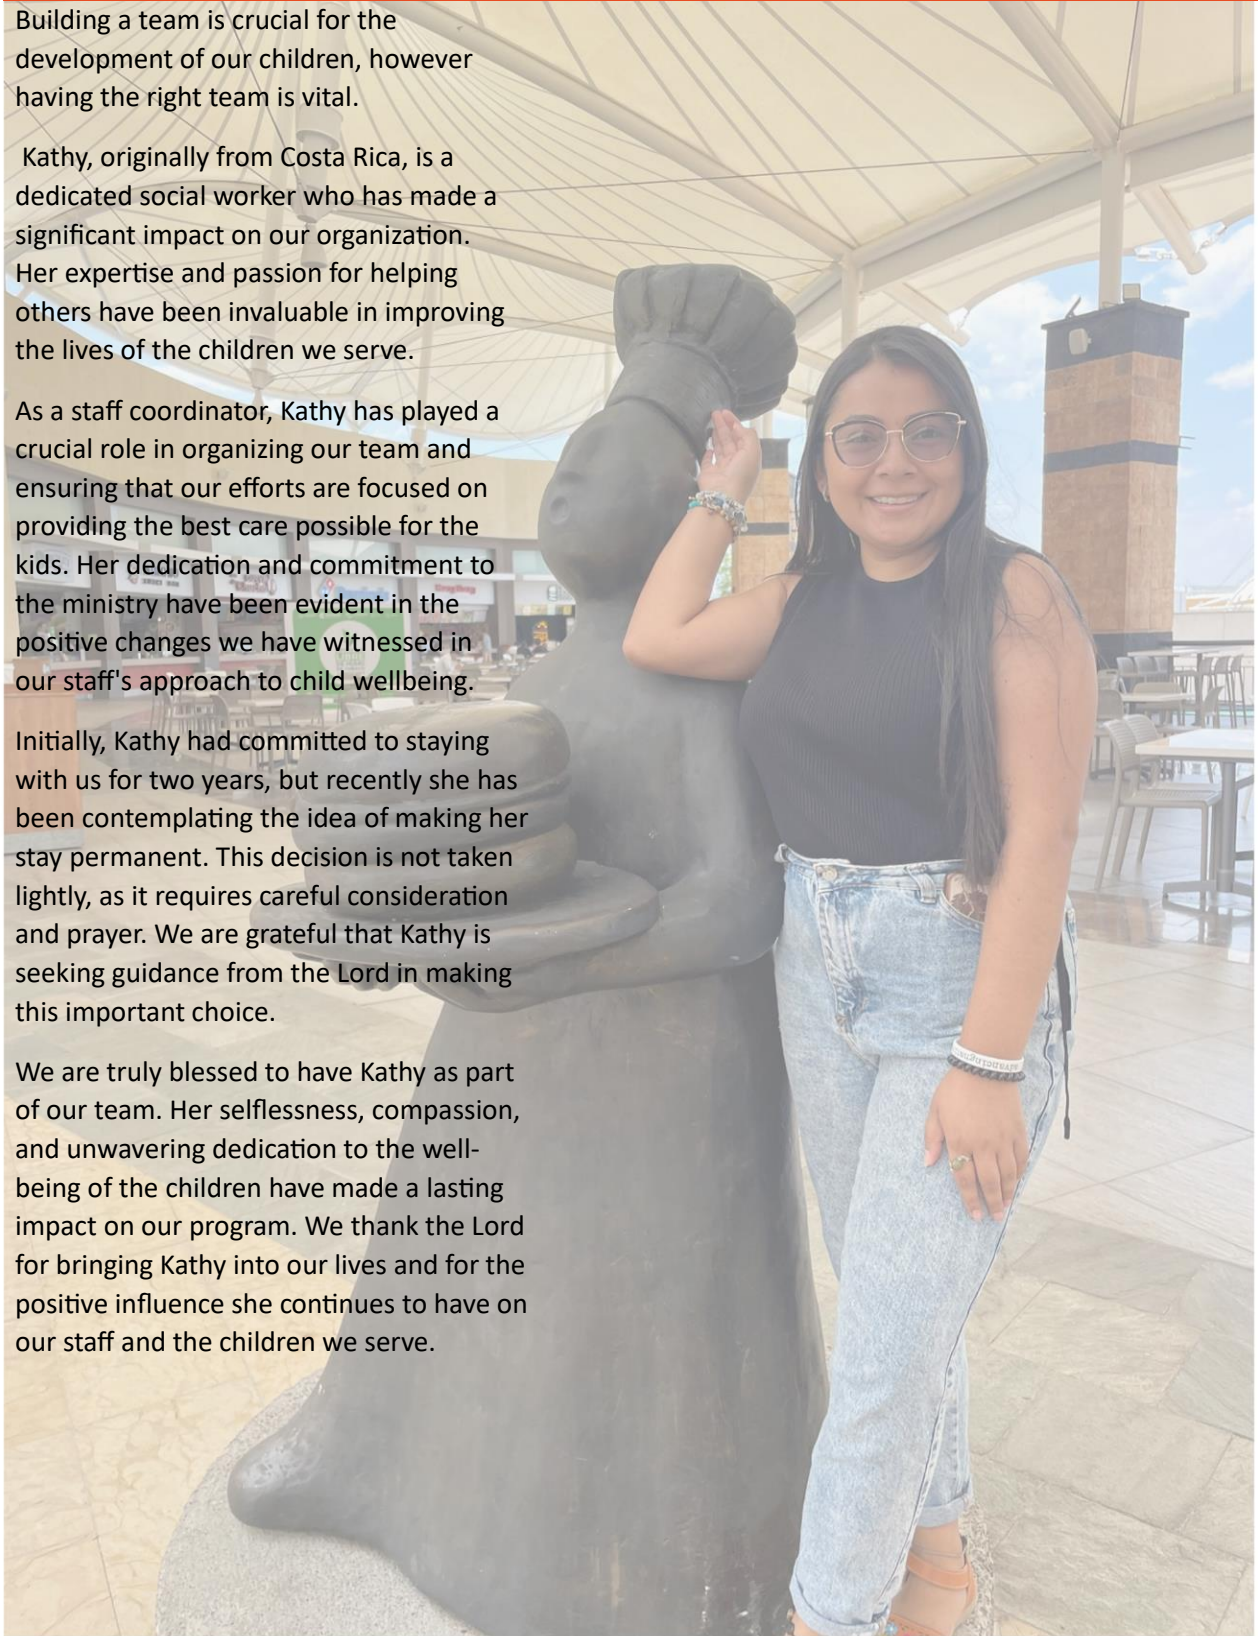

Building a team is crucial for the development of our children, however having the right team is vital.

Kathy, originally from Costa Rica, is a dedicated social worker who has made a significant impact on our organization. Her expertise and passion for helping others have been invaluable in improving the lives of the children we serve.

As a staff coordinator, Kathy has played a crucial role in organizing our team and ensuring that our efforts are focused on providing the best care possible for the kids. Her dedication and commitment to the ministry have been evident in the positive changes we have witnessed in our staff's approach to child wellbeing.

Initially, Kathy had committed to staying with us for two years, but recently she has been contemplating the idea of making her stay permanent. This decision is not taken lightly, as it requires careful consideration and prayer. We are grateful that Kathy is seeking guidance from the Lord in making this important choice.

We are truly blessed to have Kathy as part of our team. Her selflessness, compassion, and unwavering dedication to the well-being of the children have made a lasting impact on our program. We thank the Lord for bringing Kathy into our lives and for the positive influence she continues to have on our staff and the children we serve.

LET FOOD BE THY MEDICINE

Maria de Los Angeles plays an important role as a nutritionist for our program. Maria plays a crucial role in ensuring the well-being of our children by focusing on their nutrition. She visits with our children once a month to assess their nutritional needs and make sure they are receiving proper nourishment.

Maria goes above and beyond by creating personalized healthy eating programs for our kids. She carefully designs weekly menus that are not only nutritious but also appealing to our young ones. By incorporating a variety of fruits, vegetables, whole grains, and lean proteins, Maria ensures that our children are getting the essential nutrients they need to grow and thrive.

With Maria's expertise and guidance, our organization is committed to promoting healthy eating habits among our children. We believe that a well-balanced diet is essential for their overall development and success. We are grateful to have Maria as part of our team, as she plays a vital role in shaping the future health of our children.

“THERE IS NO KEY TO HAPPINESS, THE DOOR IS ALWAYS OPEN.”
