## **Grinnell History**

In 1993 an Iowa Valley satellite campus was opened in a rental property at 929 Broad Street in Grinnell, offering credit and adult education programming to residents of Poweshiek County and surrounding areas. The Grinnell Center remained there until January 2002, when it became known as Iowa Valley Community College Grinnell and relocated to a remodeled grocery store (its current location) at 123 6<sup>th</sup> Avenue West.

Iowa Valley Grinnell serves as a satellite campus of Marshalltown Community College and Iowa Valley Continuing Education. The credit course offerings include Arts and Sciences transfer courses as well as career programs in Automotive Repair Technology, Business Administration, Criminal Justice, Culinary Apprenticeship (2014), Gunsmith Technology (2013) and Paralegal.

The IVG campus includes a Learning Center, an ICN classroom, a Technology Center, the Brownells Computer Lab, and the Wellborn Student Lounge. As a result of the 2006 bond issue, a ribbon cutting was held Nov. 5, 2008, for six new learning studios and several other improvements to the building.
