Brian – I leaning toward providing a new number for this loan since the applicant is different and terminating the old number (FOIA requests are pending). Do you have any strong feelings one way or the other?

Thanks, Wayne. If you send us the project number, we'll put it on the letter.

All,

I have attached a draft letter for the IJDC meeting on 7/11. This letter simply reassigns the loan for the Roxul sewer project from the City of Ranson to the Charles Town Utility Board. This is necessary because Charles Town has purchased the Ranson sewer system.

Happy July 4<sup>th</sup>!
