Wayne,

I don't think they need a new EDA project number. I just think the Council needs to change the commitment to Charles Town, since they absorbed Ranson.

Brian – I leaning toward providing a new number for this loan since the applicant is different and terminating the old number (FOIA requests are pending). Do you have any strong feelings one way or the other?

Thanks, Wayne. If you send us the project number, we'll put it on the letter.

Here is a draft of the CTUB/Ranson letter. Will this work. Please let us know if we need to make changes.

Happy 4th of July.

All,

I have attached a draft letter for the IJDC meeting on 7/11. This letter simply reassigns the loan for the Roxul sewer project from the City of Ranson to the Charles Town Utility Board. This is necessary because Charles Town has purchased the Ranson sewer system.

Happy July 4th!
