Young, highly motivated, and experienced organizational talent seeking a career opportunity. Eager to leverage existing skills and embrace new challenges to achieve top results and customer satisfaction. Committed to pouring my heart, soul, knowledge, and curiosity into every day's work.

SKILLS

- **Fiber Optic Network Expertise:**
 - Extensive experience on both MDU and SDU fiber networks
 - Proficient in building fiber distribution points
 - Expertise in building and maintaining fiber cabinets
 - Strong understanding of PON (Passive Optical Network) technologies
 - Experience in designing site drawing packs and providing splice-through instructions for other engineers
 - FTTX Experience with dealing with customers and internal/external installs
 - Fibre Splicing and ODTR
 - Skilled in chamber underground work, including test rod and rope
- **Maintenance and Problem-Solving:**
 - Reactive maintenance activities, including diagnosis and problem-solving
 - Lead and undertake preventative maintenance activities, including inspection of active and passive equipment
- **Management and Leadership:**
 - Effective team collaboration to ensure best practices
 - Mentorship and training of new and existing staff to high performance levels
 - Management skills, including handling all administrative and organizational tasks for transportation logistics, including customs clearance

- **Technical Skills:**

- Proficient in Office 365
- Great IT understanding
- AWS Certified (CCP, Cloud quest badges)
- Active management of eCommerce channels (eBay, Shopify, Amazon FBA)
- Adaptability to outdoor work in any conditions, adhering to health and safety regulations
- Full UK Driving License

EXPERIENCE

Fibre Optic Engineer

Prestige Optical, FEBRUARY 2024 - PRESENT

- Building and maintaining backbone fiber networks and distribution points
- SDU and MDU Related installs, and network building
- Conducting chamber underground work and test rod and rope activities
- Constructing and managing fiber cabinets
- Designing site drawing packs and providing detailed splice-through instructions for engineering teams
- Implementing PON (Passive Optical Network) solutions

Acting Project Manager

Kelly Communications, JUNE 2023 - FEBRUARY 2024

- Led project teams in the deployment and maintenance of fiber optic networks
- Ensured project milestones and deadlines were met with high standards
- Coordinated with stakeholders to deliver efficient and effective project outcomes

Fibre Engineer

Kelly Communications, FEBRUARY 2023 - JUNE 2023

- Worked on the installation and maintenance of fiber optic cables and infrastructure FTTX
- Conducted site surveys and prepared technical reports

Warehouse Manager
Oakthrift, JANUARY 2018 - JANUARY 2023

- Managed warehouse operations, including inventory control and logistics
- Trained and supervised warehouse staff to ensure operational efficiency

Warehouse Supervisor
DHL, APRIL 2017 - DECEMBER 2017

- Supervised warehouse operations, including shipping and receiving
- Implemented process improvements to enhance efficiency

Warehouse Operative
Amazon, OCTOBER 2016 - MARCH 2017

- Performed various warehouse duties, including picking, packing, and shipping orders

Constructions Labourer (Self-employed)
JULY 2015 - OCTOBER 2016

- Conducted general construction labor tasks, including site preparation and cleanup

AWS Academy Mentor
NOVEMBER 2022 - PRESENT

- Mentored students in AWS Cloud technologies
- Guided students through AWS certification preparation

EDUCATION

AWS Student with Optima IT

OCTOBER 2022 — PRESENT

Studying towards AWS exams, which include, but are not limited to:

Cloud Practitioner

Solutions Architect Associate Solutions Architect Professional Security

PCPI, IES Gregori Mayans

SEPTEMBER 20013 — JULY 2015

Telecoms & Informatics

GCSE, IES Gregori Mayans

SEPTEMBER 2009 — JULY 2013

ACCREDITATIONS

CSCS | Green Card

SSSTS | Site Supervision Safety Training Scheme

SA020 | Implement Safe Site Working Practices

SA002 | Underground Safety

SA001 | Overhead Safety

S08 | Specification Overhead

SWQR - 5 | Street Works

LANGUAGES

- Fluent in English, Spanish and Romanian
- Conversant in Catalan
