

Video Tips Easy Examples

Follow Their Lead

1

Join in your child's play, make discoveries together, let him direct you, observe his communication and listen to his ideas.

2

Respond to your baby's babbling, describe as your toddler reacts to what he hears and sees, or add words to a preschooler's activities.

3

As you "follow their lead" you encourage children to explore their curiosity, share thoughts and expand their language.
