(“NPAF”) so that NPAF can administer those programs if I choose to apply and I am eligible, send me information about programs that might help me pay for my medicines, and to coordinate and share my Personal Information with my health care providers, other programs that might help me pay for medicines, government agencies, and insurance companies for purposes of providing or facilitating this assistance.

If I revoke this authorization, NPAF will stop using or sharing my information (except as necessary to end my participation in NPAF) but my revocation will not affect uses and disclosures of Personal Information previously disclosed in reliance upon this authorization. I understand that this authorization will remain valid for five (5) years after the date of my signature, unless I revoke it earlier. I also understand that programs administered by NPAF may change or end at any time without prior notification. I understand that I may receive a copy of this authorization.
