

## HEROES' FOOT SIZING CHART

For shoe sizing accuracy, we recommend printing this document on 8.5"x11" paper at 100% (full size).

## FIND YOUR HEROES' SIZES

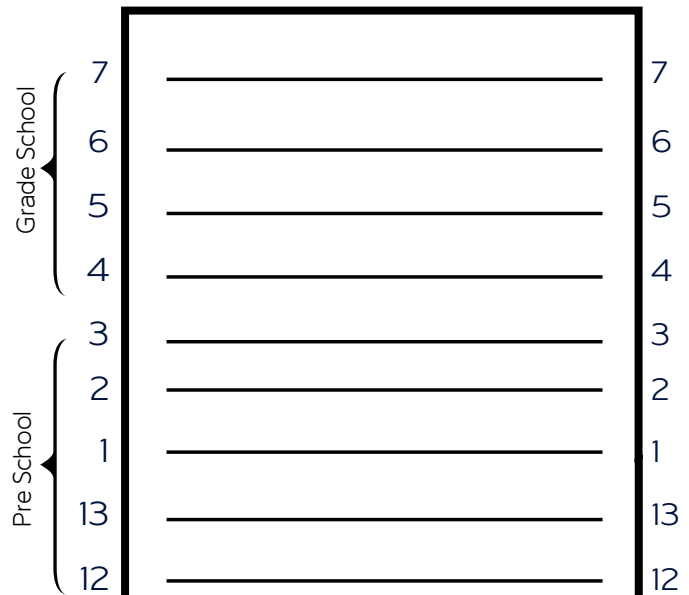

This is going to work best if they don't use their super powers while sitting. Yeah, right, who are we kidding? Heroes never sit still! Place your hero's heel along the solid line at the base of the chart. Have your child put his or her weight on the foot being measured and make sure all toes are relaxed. The line that touches the longest toe indicates the correct size. The shorter lines in between indicate half sizes. Since one foot is often larger than the other, make sure you measure both feet. You should purchase the size that fits the largest foot.

Pre School: sizes 12 – 3  
Grade School: sizes 3½ – 7
