After departing the plane, proceed through Immigration. You must have your Mexican Customs Declaration and passport on hand.

After showing the necessary documents, you will then proceed to the baggage claim area. After identifying and claiming your luggage, you will continue to Customs. A Customs official will then ask you for the Customs Declaration Form (previously filled out on the plane) and to push the button of what looks like a stop light. If you receive a red light, they will search your luggage; if you receive a green light, you may proceed through customs.

Proceed all the way out of the various sets of sliding glass doors and continue walking to the outside area of the terminal. Please be sure to avoid contact with time share representatives located only inside the arrival building. They will NOT identify themselves as time share employees but will try to engage you in conversation by asking you several questions regarding your transportation.

Please continue walking staying to your left as you exit to the outside of the terminal. You must exit the arrivals terminal completely to find your transportation. Our friendly staff will be holding a Terramar DMC sign on it OUTSIDE OF THE TERMINAL ON THE LEFT SIDE.

# TRAVEL TIPS & BEST PRACTICES

## **When Traveling Abroad:**

Pack your passport!

It is best to leave valuable jewelry at home and use the resort's in-room safe for your excess cash and travel documents.

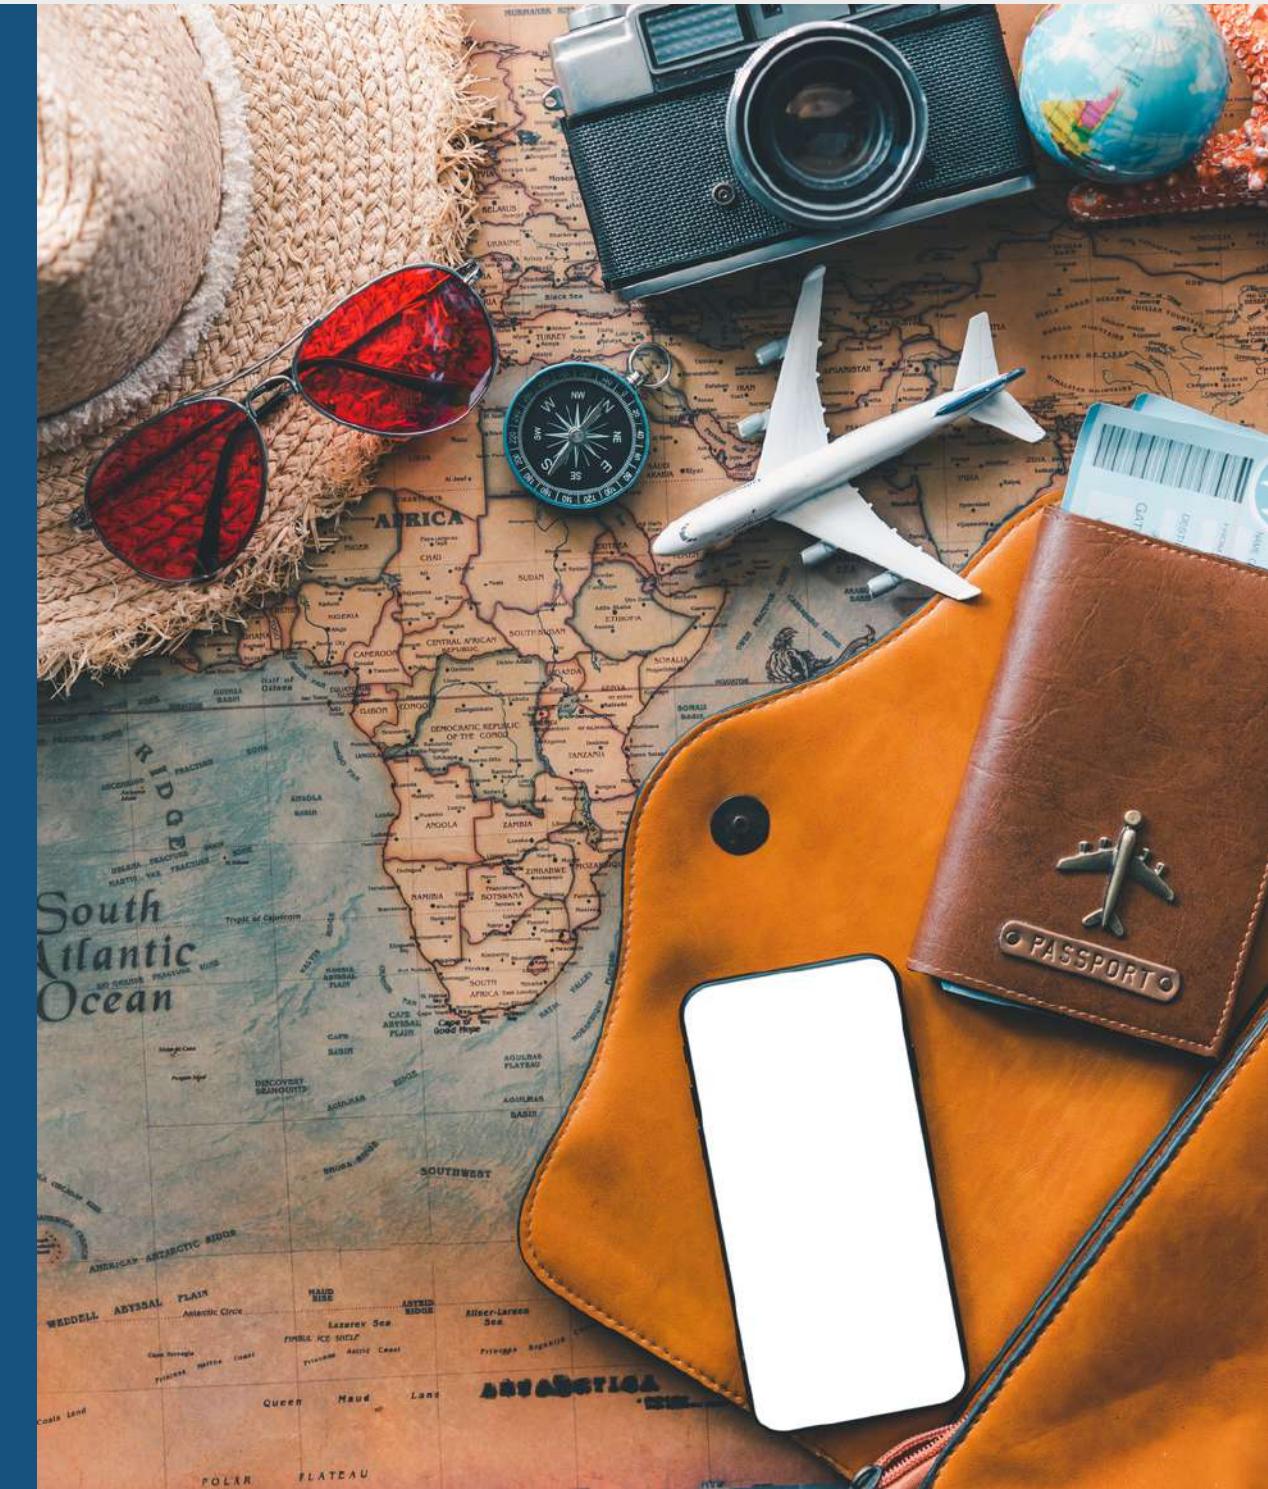

Travel Funds: We strongly recommend that you take the majority of your personal travel funds in the form of a credit card. Commonly accepted credit cards are American Express, MasterCard and Visa.

## **Getting Around On Your Own:**

Arrange a cab through the hotel and make sure you know the rate before paying. Taxis do not accept credit cards.

Sayulita has a taxi stand in the main plaza. Use the cabs only from that area.

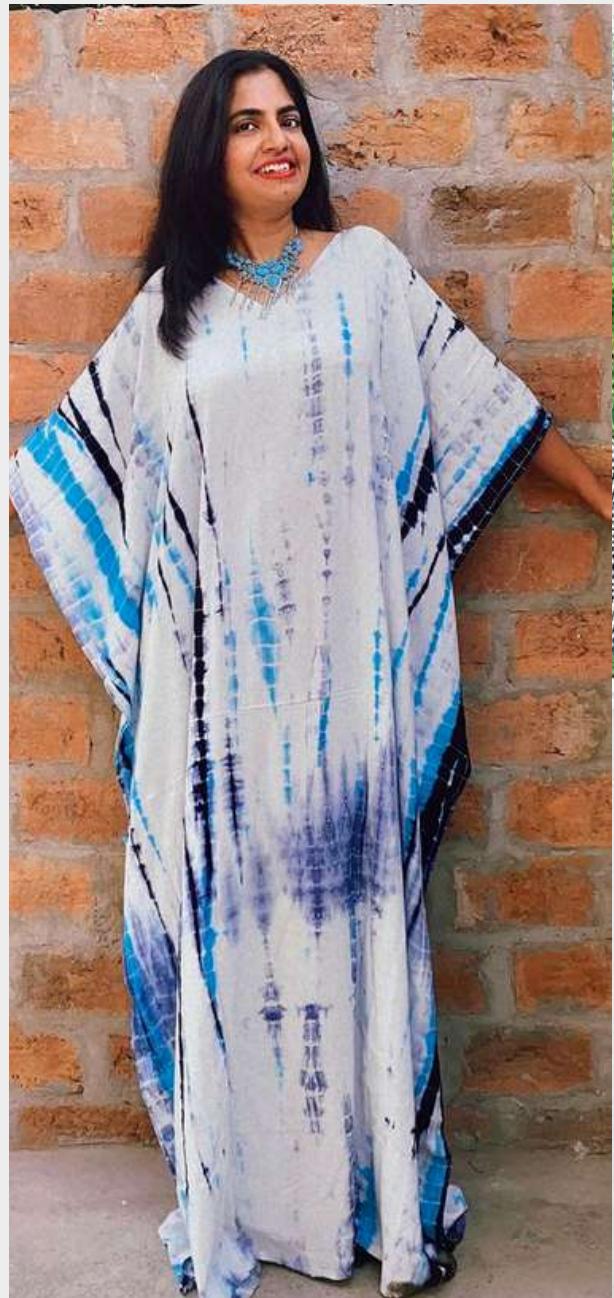

Uber is not popular in Riviera Nayarit, there are rarely Uber drivers in the hotel surroundings.

In an effort to support our destinations, we are hosting a CSR project on December 3rd just before our ranch activities to help residents of Mexico in need.

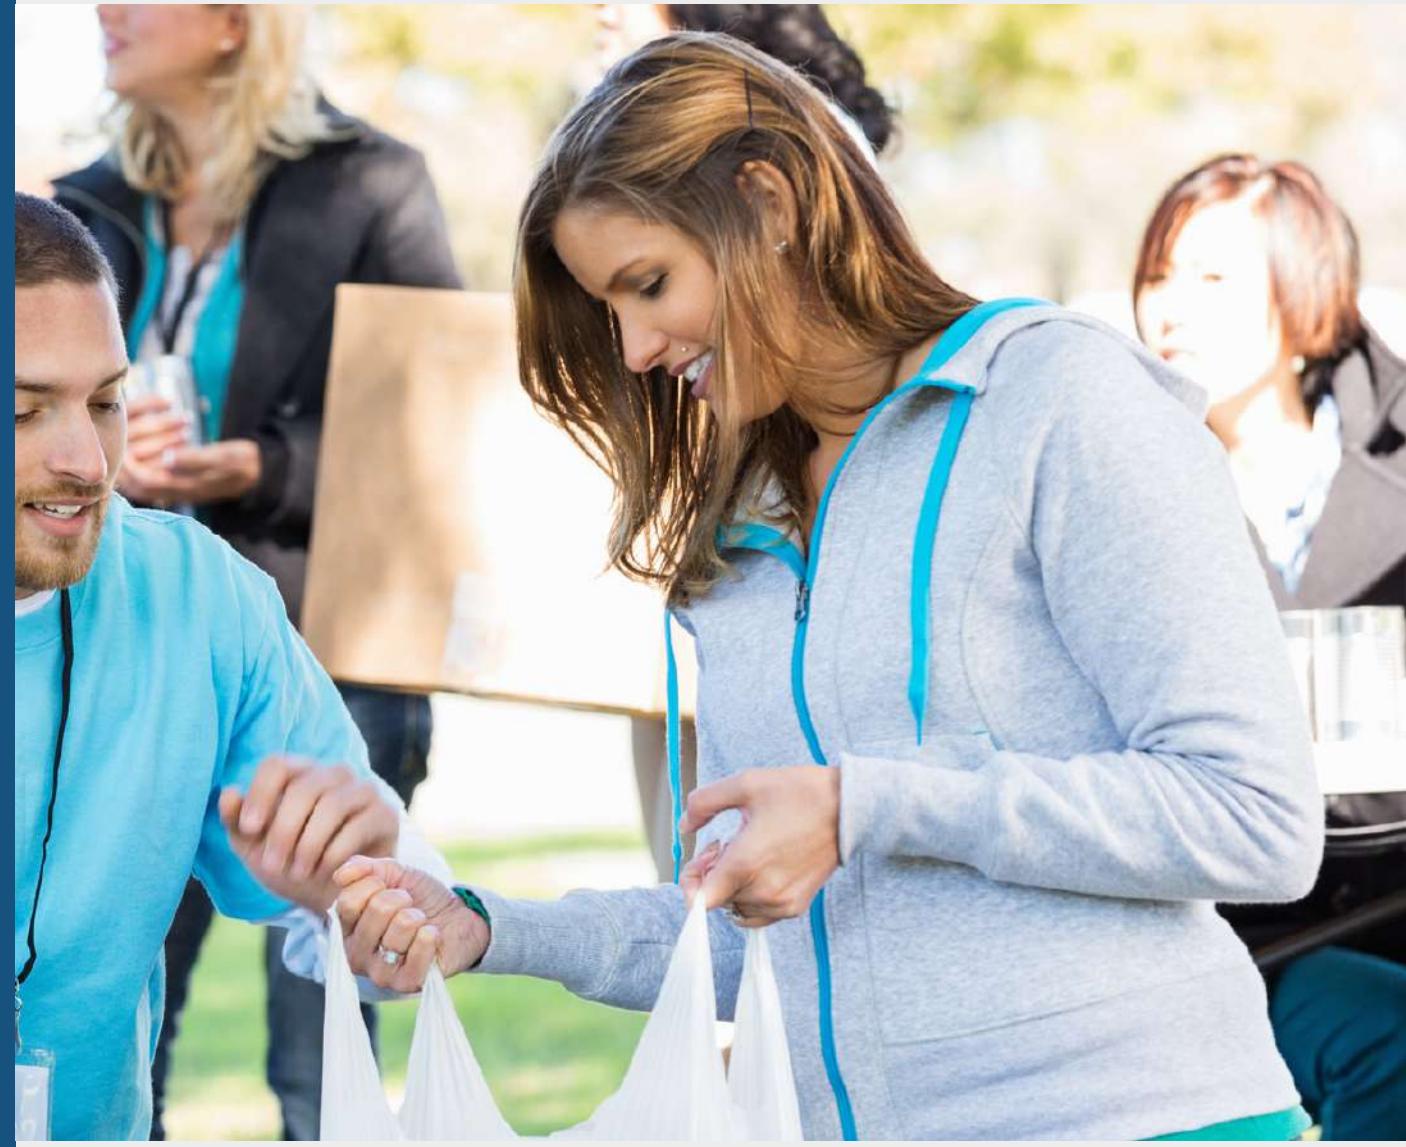

On October 25, Hurricane Otis—a Category 5 hurricane with sustained winds of 165 mph—made landfall near Acapulco, on Mexico's southern Pacific coast. The National Hurricane Center has declared Otis the strongest hurricane in the Eastern Pacific to ever make landfall. Thousands of people have been affected by this meteorological event and a global movement for relief is ongoing.

Together we will assemble “boxes of hope” in our program United for Acapulco. Terramar will have items available, and **we are asking our Terramar Signature Event participants to bring any spare unused items** including but not limited to (full size or hotel toiletry) shampoo/conditioner, soap, deodorant, hand lotion, antibacterial wipes, feminine hygiene products, toothbrushes, and toothpaste

We thank you in advance for your support and participation.
