

Parking

Parking for two cars is available and is designated with signs in the parking lot. The parking spots for 595 West are located within the enclosed parking deck, to the left of the Loft. Please put a parking pass (found in your Loft) on your dash. The passes do not permit you to park on the street. **Failure to comply with any parking procedures may result in the vehicle being towed at the owner's expense.**

The parking passes need to be returned to the Loft before your departure or a \$25 fee/pass will be assessed.

Parking on many Newport streets require a resident permit from 6pm to 6am May-October. Please be aware of any signage noting additional city rules and regulations.
