The public is welcome to attend and asked to bring donations of puppy training treats, cat treats and toys to assist the animals at the Middletown, RI animal care and resource center.

Attendees are also encouraged to bring their dogs dressed in costumes for a chance to win a doggy costume contest. The grand prize winner and his/her owner will be awarded a future overnight stay at the inn. Additionally, dog owners will have the opportunity to have their pooch photographed by a professional photographer and will receive a free digital print. Homemade treats prepared by the team of innkeepers will be served for people and pups.

Paws on Pelham boasts 13 uniquely designed guest rooms perfect for dogs, owners and dog lovers alike. All room styles feature a private bathroom, a king or queen sized bed(s), fine linens and luxurious soaps and shampoos. Certain rooms are equipped with dry bars, mini-fridges and an additional living space with a sofa-bed. One dog bed is provided in each room and is built into the design. Some rooms feature cozy dog houses while others feature murphy-style dog beds.

Guests can enjoy a complimentary "Grab & Go" style breakfast each morning made by a talented team of innkeepers. The breakfast can be enjoyed in the dining room, on the terrace, "RUFFtop" deck or guests can conveniently take it with them on their day of adventure with their pooch.
