

July 9th's Wednesday Series held 5 races in a moderate breeze from S to SW of about 5-12 knots. The 420 Race Committee ran trapezoid courses all day while the Opti Race Committee ran modified triangles. The first race started in light breeze of about 6 knots. The next 4 races were held in slightly stronger breeze of 10-12 knots. The top finisher in the Laser Radial fleet was Reid Shanabrook, the top finisher in the 420 fleet was James Collins and Ethan Andersen, the top finisher in the Opti Champ fleet was Eric O'Connor, and the top finisher in the Opti Green fleet was Anders Kearney. Thanks to Niall Kearney, Phil Jeffries, and Julia Jeffries for doing Race Committee on the 420 line. Thanks to coaches Frankie and Alex who were mark boats on the 420 line and to coaches Hannah, Chelsea, Nick, and Kaylie for running the Opti line.
