

April 24, 2020

Next Packet Pickup Day is Tuesday, April 28th Email

Email to Parents, Board of Directors, Students, Faculty, Staff

Dear Parents,

One of our primary goals throughout this pandemic is to maintain our school community while keeping everyone safe and moving forward academically. I want to commend our students, parents and teachers for the work everyone has put forth through this challenging time. I see evidence everyday of Brentwood students and faculty members rising to the occasion to help each other and our community! The Brentwood EAGLE SPIRIT is strong!

We miss our students daily and look forward to being back together as soon as possible. We will continue to closely monitor all CDC/government advisements, and we will continue to adjust our schedule as needed and to keep our families as safe as possible.

Our teachers have been working tirelessly to maintain our standards of academic excellence, as well as continuing to foster strong student-teacher relationships throughout this time of distant learning. This will continue, and all our students will either be on track for graduation or prepared to progress to the next grade level as appropriate.

The next Packet Pick up day will be next Tuesday, April 28th. You will receive an email from your child's teacher(s) regarding specific information and pick up times.

We are still working on scheduling several important year end activities and events. We will wait until the April 30th guidance from our national, state and local authorities before setting potential dates. In the meantime, we are developing several contingency plans for each event.

Class of 2020, we are continuing to diligently plan and ensure that you are honored and celebrated. As I have shared with you before, while we cannot guarantee when graduation will happen, we are committed to honoring you in person when it is safe for us to come together as a school family. This also holds true for milestone graduation celebrations for our 8th graders and Kindergarten students.

Please continue to encourage one another, our students, our faculty and staff and our fellow community members as we all navigate an unprecedented time in our history.

Continue to check our website and email for updates, and please do not hesitate to call or email me at dhowell@brentwoodschool.org if you have any questions or need anything.

Best Regards,

Danny Howell
