WELCOME to Buenos Aires!

Dear Colleagues,

We are delighted to invite you to the **22nd Annual International Conference of the Metabolomics Society**, which will be held on June 21-24, 2026, in the captivating city of Buenos Aires, Argentina.

For the **first time in its history, the Society will hold its Annual Conference in Latin America**, a region celebrated for its rich cultural diversity, boundless creativity, and growing excellence in science and innovation. In Buenos Aires, participants will experience a city where sophistication meets Latin warmth, where tango, art, and gastronomy intertwine with a dynamic academic and technological ecosystem. The city's energy and openness perfectly reflect the essence of our field: discovery through diversity, connection, and creativity.

The conference is the official annual meeting of the Metabolomics Society, and the largest metabolomics meeting worldwide.

Metabolomics 2026 will cover the major scientific themes of Technological Advances; Computational Metabolomics, Statistics, and Bioinformatics; Metabolomics in Health and Disease; and Metabolomics of Food, Plants, Environment, and Microbes. A special focus will highlight metabolomics for sustainable development, underscoring our collective commitment to addressing global challenges related to health, biodiversity, and environmental stewardship.

We look forward to welcoming the global metabolomics community, building strong connections, and discussing **frontier science in a warm and vibrant environment**. The scientific program will feature plenary and keynote lectures, parallel sessions, interactive poster presentations, **sponsor lunches and oral presentations**, as well as introductory and advanced workshops designed to foster learning and exchange.

Based on the experience of our previous meetings and the conference's new appealing location in South America, we expect ~700 participants, including a **high proportion of senior scientific leaders with the highest purchasing authority**. By taking advantage of the attractive sponsorship packages available, you will have the opportunity to position your brand and products at the forefront of the metabolomics and lipidomics community and find opportunities in a new regional market.

Your support and participation are key to the success of the meeting, helping to keep registration costs constant despite inflation, which allows more of our younger scientists to attend, while providing you and your colleagues with the opportunity to meet and discuss advances in the field with a wide audience. Together let's make this meeting not only a milestone for metabolomics but also a heartfelt celebration of the Latin American contribution to global science.

On behalf of the Scientific Organizing Committee and the Metabolomics Society Board of Directors we cordially invite you to Metabolomics 2026. We look forward to working with you and welcoming you to the fascinating city of Buenos Aires!

Exhibition Booth Space

The sponsorship package includes ONLY the dedicated space in the Exhibit area. Custom booth builds, shell scheme or display items are the responsibility of the sponsor. Basic wi-fi will be available throughout the meeting space and exhibit hall.

Platinum and Gold: sponsors should work with the Exhibition Management Company to create a free-standing custom booth (encouraged) or a shell scheme. Additional services such as electrical power and furniture can be ordered through the Exhibitor Kit, available in March.

Silver, Start-Up and University/Non-Profit: you will be provided (1) table (appx 183cm or 6') and (2) chairs. Additional services such as electrical power and furniture can be ordered through the Exhibitor Kit, available in March.

The floor plan for Sponsors to select their booth location will be available in March. Booth selection happens in the order of payment received; as soon as you have completed online registration and submitted payment, your space is secure, and you will be able to select a booth location in that order. For questions please contact info@metabolomicssociety.org.

LEAD RETRIEVAL FOR PURCHASE

Sponsors will have access to an improved lead retrieval system. LeadR lets exhibitors use a simple mobile app to scan attendee badges, instantly capturing contact details and notes during conversations. The leads are automatically organized in a secure portal where exhibitors can export them for follow-up. It makes lead collection fast, accurate, and easy for booth staff of any experience level.

LeadR packages will be available for purchase in the Exhibitor Kit.
