

Parking details:

Please park in the lot located directly across the street from both Harris County Psychiatric Center (HCPC) and the Dunn Behavioral Sciences Center. This is the most convenient option for all-day parking.

As HCPC is a secured psychiatric facility, all building entrances require badge or key access. A member of the UTHealth team will meet you upon arrival and escort you to the conference room.

Harris Country Psychiatry Center

2800 S MacGregor Way, Houston, TX 77021

Texas Medical Center (TMC) - LAV Lot

For people using Apple/Google maps, South MacGregor is the major road leading to the campus, and Leland and Crosswell are the streets immediately in front of the hospitals and the parking lot. It is the only major lot on the campus. It is the first thing you see — on the right — when you turn onto Crosswell street where the hospitals are located.
