

2024 Intelligent Water Systems Challenge

Calling all visionaries, problem-solvers, and trailblazers in the realm of water technology! The Intelligent Water Solutions Committee of the Water Environment Association of Ontario (WEAO) presents the annual Intelligent Water Systems Challenge, a platform to showcase your brilliance and creativity in crafting smart water solutions. 🚀

Newcomers, we want YOU! Bring your fresh ideas and join the challenge. Whether you're a seasoned professional, a budding student, or a tech enthusiast with a passion for innovation, we want to know how you have used technology to tackle real-world challenges faced by utilities. 💡 Let's make waves together in water innovation. Don't miss out - dive in today! 💧

In this Challenge, teams will work to identify innovative solutions to existing challenges. Highlights of the Challenge include:

- ◆ Form a dynamic team of three to six members (at least one WEAO member per team).
- ◆ Mark your calendars: Register and submit your Challenge Plan by June 28, 2024.
- ◆ Dive deep into problem-solving and submit your innovative solution by September 25, 2024.
- ◆ Get ready to shine: The top three submissions will earn a spot to present at the 2024 Intelligent Water Solutions Seminar in the fall of 2024. 🏆
