The WM Symposia sponsorship program is an outstanding opportunity to showcase your company to thousands of radioactive waste management professionals. As the world's largest annual conference focused on radioactive waste, WM offers sponsors broad visibility, brand alignment with industry leadership, and access to a highly engaged audience.

We offer five distinct sponsorship levels, outlined in the following pages. We hope you recognize the many benefits of participating and consider joining us as a valued sponsor.

WM Symposia is the premier non-profit organization dedicated to providing education and information on global radioactive waste management. Our sponsors play a vital role in our success, thank you for your continued support!

To reserve a sponsorship, please choose your desired level and contact Maurya Palmer, WM Conference Manager dba Exhibit and Sponsorship Manager, at [mpalmer@wmsym.org](mailto:mpalmer@wmsym.org). A 50% deposit is required to secure your selection, with the final balance due **January 12, 2026**. Please note that sponsorships are non-cancellable after reservation.

To be included in the printed conference program, sponsorships and logos must be confirmed and submitted by **December 31, 2025**. Submissions received after this date will still be recognized through onsite signage, the WM online program, and the mobile app.
