

WM STEM SPONSORSHIP OPPORTUNITIES

WM Symposia is committed to fostering science, technology, engineering, and math (STEM) engagement as a critical element in developing our future workforce. To demonstrate our commitment, we have developed several initiatives and events, including our STEM Zone Exhibit and Scavenger Hunt, which raise awareness of the importance of promoting STEM education, and the WM STEM Educators' Council, which provides resources directly to educators. Your support is critical to our efforts to continue to advance STEM education globally.

Please consider one of the WM STEM sponsorship opportunities listed below.

STEM Zone Sponsor - \$6,750 - SOLD

This featured space in the exhibit hall showcases a wide variety of STEM resources and information, hosts the STEM Scavenger Hunt, and provides networking opportunities for students and education advocates. Sponsor logo is displayed on the overhead STEM Zone sign and everywhere the STEM Zone is promoted. Sponsor also receives an ad in the STEM Notebook, one Full Technical Registration, and an invitation to a WM sponsor reception and WM Hospitality Suite. Exclusive sponsorship.

STEM Scavenger Hunt Sponsor - \$3500 - SOLD

Conference attendees follow a map to booths of participating exhibitors to collect designated items to fill Scavenger Hunt Bags. Filled bags are distributed to STEM educators for their classrooms. Scavenger Hunt Sponsor logo is placed on the Scavenger Hunt Bags and the Scavenger Hunt Map, and is recognized in the WM conference program, the WM website, and everywhere the scavenger hunt is promoted. Exclusive sponsorship.

- Scavenger Hunt Donation Item Sponsor – Donation Item sponsor to provide 150 educational items at your exhibit booth for distribution to scavenger hunt participants. Non-exclusive, 20 participants maximum. - **1 remaining**

STEM Notebook Sponsor - \$500 - \$3,500

Notebooks featuring student artwork are included in the conference welcome bag. Sponsors are featured in ads throughout the notebook.
