a free map for your child to follow his milestones, save fun activities that will help him learn and grow, and compare childcare programs. All information comes from reliable sources, such as the PA's Office of Child Development and Early Learning. Career Opportunities Visit www.employment.pa.gov, click on Open Jobs to see the available positions or sign up to do a test. For public administration employment information contact the Philadelphia Office 215-560-2253. Contact Human Services Staff at 610-891-4951 or 610-891-4417 with questions. Today's Children's Learning Centers, Inc. is Delaware County's largest private provider of educational programs for preschoolers, infants and toddlers. Today's child also offers recognized pre- and after-school programs for school-age children up to the age of 12. Today's educational and childcare centers are located throughout Delaware County, including centers located within the buildings of a number of school districts. Committed to families A key corporate mission of today's child is to offer a wide range of services to children and their families. These services include our basic educational and care programs, free transportation for students, nutritious food and snacks, teaching and more. The highest educational standards the child of today is committed to operating with the most demanding standards for high quality educational programs. The company's programs and locations consistently received the highest scores from the Keystone Stars Quality Initiative Program, which is managed by the Office of Development and Early Learning (OCDEL) of the Pennsylvania Department of Public Welfare (DPW) (DPW)
