Have You Studied This Sign?

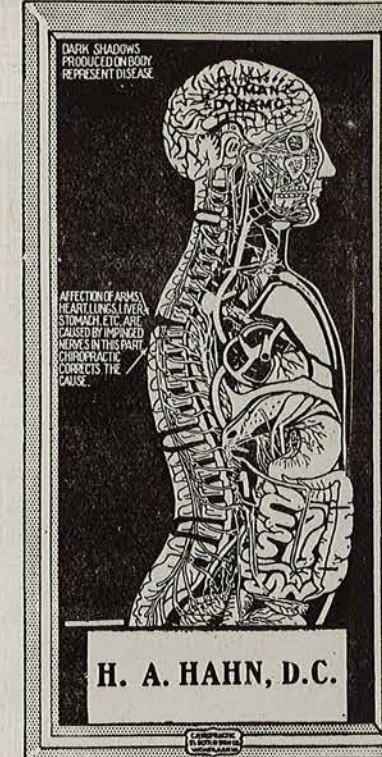

Hundreds pass by this sign without a thought. It has a message for all, for unfortunately, no one has complete health.

Whatever your particular trouble may be this sign will point the way to the source of it.

When you have studied it and gotten thus far on the road to health you have already made a great stride. Continue along

the way pointed out by this sign and it will lead you to health and happiness.

The sign will show you the way, but it cannot do any more for you. Let us illustrate our complete health service to you and help you take the steps that bring all the pleasures of good health to you. Come in and have a free consultation.
