By changing robust workwear designs, the branch label opened the door to a vast new market. People were looking for something with the durable quality of workwear but with a closer focus on an eye on everyday tailoring and style. Carhartt WIP gave all this and more. To this day, the brand adapts the iconic Carhartt gear for those looking for refined design and style that remains true of the origins of this brand. Clothing is made for long distance, and 'long distance' means we have a whole lifetime and most likely a little longer, so it is more important than ever to get the right size. That's why we've put together a comprehensive Carhartt WIP size guide. Carhartt WIP men's tops Size XS S M L XL XXL Chest (in) 33 - 35 35 - 37 38 - 40 40 - 42 42 - 44 44 - 47 Key pieces 1. 2.
